Dear Colleagues

Please make plans to join us at the next scientific meeting of the Florida Chapter of the American College of Physicians, September 6 - 8, 2019, at the Westin Ft Lauderdale Beach Resort in Ft Lauderdale, Florida.

Take advantage of the Florida Chapter’s rich resource of knowledge and networking by attending our premier meeting for general internists, subspecialty internists, hospitalists, as well as residents and medical students. This location provides the perfect opportunity to recharge, rewind, reflect, and reconnect with your peers and chapter leaders, and attend relevant lectures by great speakers.

The Chapter is happy to announce that the ABIM has approved ACP chapters to offer MOC points with their CME. Please take advantage of this valuable opportunity to earn up to **22.5 CME credits and 22.5 MOC points** as well as make valuable personal connections and get more involved in your ACP Chapter. The opportunities available at this meeting will help you meet not only your needs as a physician but also the needs of the patients you serve, while engaging with colleagues who know your challenges and can help you find solutions. We will also be offering a full day Residents and Medical Students Program including a Formal Poster Competition and Doctors’ Dilemma Finals Competition. We look forward to seeing you in Ft Lauderdale.

**Program Highlights**

- Updates in Internal Medicine
- Advance Heart Failure
- Bariatric Surgery Follow-up
