ACP Online
Congratulations to the Georgia Chapter Governor-Elect Designee, G. Waldon Garriss III, MD, MACP. Our new Governor-elect Designee (GED) will do a year of training as a Governor-elect and then will start his four-year term as Governor in the Spring of 2019. As Governor, Dr. Garris will serve as the official representative of the College for the Georgia Chapter, providing a link between members at the local level and leadership at the national level. In the meantime, Dr. Garris will be working closely with Dr. Moore (the current Governor) and College staff to learn about the College and his duties as Governor. READ MORE
