

## Georgia ACP Offers A Webinar

The American College of Physicians designates this webinar activity for a maximum of **1 HR AMA PRA Category 1 Credit & 1 HR MOC** with participation in the activity and successful completion of quiz.

### *Safe Opioid Prescribing: An Overview for Rural & Urban Practices*

Thursday, June 13th, 2019 at 5:30PM

**REGISTRATION REQUIRED:** <https://attendee.gotowebinar.com/register/5299714614120891139>

**Theresa E. Vettese, MD, FACP,**

Associate Professor, Division of General Medicine and Geriatrics, Department of Medicine, Emory University School of Medicine.

At the completion of the webinar participants will be able to:

1. Describe the current state of the epidemic of opioid use disorder in the United States and the stage of Georgia, including differences in rural and urban communities.
2. Implement best practices in chronic pain management in the ambulatory setting.
3. Develop enhanced patient-centered communication strategies to address chronic pain and opioid use.
4. Implement safe opioid prescribing practices in the ambulatory setting, including risk reduction strategies.

This program (or this webinar, etc.) was funded through a federal grant from the Centers for Medicare and Medicaid Services ("CMS") to the American College of Physicians, Inc. for its role in the Transforming Clinical Practice Initiative ("TCPI") Support and Alignment Networks ("SAN") project, Grant Number 1L1CMS331476-04-02
