American College of Physicians
2020 Georgia Chapter Resident/Student Abstract Submission Guidelines

The Georgia Chapter ACP Abstract Competition for all Georgia Internal Medicine Resident & Medical Student abstract submission opens May 27, 2020. The submission deadline is **Midnight, Sunday, July 19, 2020.**

**Note:** There will NOT be an extension granted beyond 7/19/2020.

The abstract author must be an active member of the Georgia Chapter ACP and enrolled in a Georgia Medical School or IM Residency Program to submit an abstract. Your ACP number must be included on the abstract form or if you have applied you may enter your # as pending. You can apply for membership here:

[www.acponline.org/membership](http://www.acponline.org/membership)

1. **Eligibility:** All Resident and Student members of GA ACP conducting work in a clinical vignette, basic or clinical research, QI or Patient Safety. Any research **not** published or in press as a manuscript. Abstracts based upon papers that have been published are not eligible.

2. **Abstract Submission:** All submissions are submitted through the ACP Abstract Submission portal with the following guidelines:

   Abstract Submissions are 450 words (DO NOT INCLUDE the Title, Author, & Institution IN ABSTRACT TEXT BOX, this information should ONLY go in the specific boxes where requested.) submitted via the ACP abstract portal.

   **There will be strict adherence to the word limit and submission over 450 words will be disqualified**

   **All text in the body of your abstract should be blinded for names and institution affiliation.**

Please copy and paste abstract or type the abstract directly into the abstract box. **DO NOT** include Title, Author and Institution in text box. If included in body of abstract, abstract will be disqualified.
No more than ONE abstract per author for each category:

1. Clinical Vignette
2. Research Clinical or Basic Science and Quality Improvement/Patient Safety/High Value Cost Conscious Care

**Fellows should compete in the faculty competition and do NOT submit in the Resident Abstract portal**

Please note abstracts will be declined, if presented at the ACP or any other national meetings or if based on a published paper.

Judging by faculty will take place by early August. All abstract submitters will receive a notification based on the judging results via email. PLEASE MAKE SURE YOUR EMAIL ADDRESS IS CORRECT, all communications will be sent to the email you use when submitting the abstract.

After submitting the abstract, you will be sent a verification e-mail notifying you that it has been received. Once you hit submit, please wait for the screen to refresh before exiting the submission, if you exit before the page refreshes, your abstract will not submit. If you do not receive a confirmation email, please contact jcarson@gaacp.org to confirm receipt of your abstract in the portal system.

Thank you

We look forward to your participation in the abstract competition.
