- **The submission deadline for abstracts** is 11:59pm, Monday, July 12, 2021. No Extensions.

**Eligibility:** All Resident and Student members of ACP Georgia Chapter conducting work in a clinical vignette, basic or clinical research, QI or Patient Safety.
- Abstracts based upon papers that have been published in any public forum (press, manuscript, etc.) and/or presented at the ACP or any other national meeting are ineligible and will be disqualified.

**Abstracts Per Author / Category:** Residents/Students may submit **one (1) abstract per author for each combined category:**

- a. Clinical Vignette
- b. Research Clinical
- c. Basic Science
- d. Quality Improvement/Patient Safety/High Value Cost Conscious Care

**Abstract Submission Instruction:** All submissions must submitted through the ACP Abstract Submission portal with the following guidelines:
- **Abstract Submissions are to be 450 words max** and the **author must BLIND all TEXT for TITLES, NAMES, and INSTITUTIONS.**
  
  e. Submissions above 450 words will be disqualified.
  f. Submissions that include the abstract title, author, and/or institution in the abstract text box will be disqualified
  g. Submissions that don’t blind all abstract text for titles, names and institutions will be disqualified.
1. Once you hit submit, please wait for the page to refresh before exiting. Exiting before the page refreshes, cancels your abstract submission.
   a. All competition communication will be via email, please be sure to verify your email is entered correctly, prior to submission.
   b. Following submission, you will receive an email notification confirming your abstract has been received. If you do not receive a confirmation email, please contact jcarson@gaacp.org to confirm receipt.
   c. (NEW) Abstract authors will have the ability to edit a previously submitted abstract using the submission link provided above.

Note to Fellows: ALL fellows wishing to compete should do so in the faculty competition. Do not submit an abstract in the Resident / Student Abstract portals.

Judging by faculty will take place in late July - early August. All abstract authors will receive results notification via email.

We look forward to your participation in the 2021 ACP Georgia Chapter Abstract Competition.

Thank you!
