On behalf of the Georgia Colorectal Cancer Roundtable (GCCRT)

March serves as colorectal cancer awareness month. This March, let's continue the blue momentum and move towards action that will last all of 2017.

*Please join us for the . . . .*

**The Second Annual Georgia Colorectal Cancer Roundtable (GCCRT) Forum**

This forum, presented by Blue Cross and Blue Shield of Georgia & Amerigroup, will celebrate current efforts to increase colorectal cancer screening rates in Georgia. It will also serve as the vehicle to identify further collaborative opportunities and tackle some of the barriers to reaching the goal of screening 80% of all Georgians age 50 and older by 2018.

By achieving this goal, we will save more than one Georgian's life each day by 2030, averting 5,617 deaths.

Join other leaders working toward 80% by 2018 in Georgia!

The forum will feature Keynote Speaker, Durado Brooks, MD, MPH, Managing Director, Cancer Control Intervention at the American Cancer Society

**WHERE:** Mercer University, University Center, President's Dining Hall, Macon

**DATE:** Wednesday March 15th, 2017

**TIME:** 10:00 AM-2:30 PM (Registration & breakfast will start at 9:30 AM)

**QUESTIONS:** E: Kelly Durden at Kelly.durden@cancer.org
