Concierge medicine being embraced by a growing number of primary care physicians

**Healthcare Finance News**

Why are more physicians turning to concierge medicine than ever before? Terry Bauer, CEO of concierge medicine transition firm Specialdocs, recently attempted to answer that question in the DocPreneur podcast series, the audio component of trade publication Concierge Medicine Today. A long-time believer in the power of concierge
medicine to help repair the healthcare system, Bauer sees the root of the trend in an environment that's still largely volume-driven. READ MORE

**Internists recognize opportunities with CMS proposed rule**

ACP

The American College of Physicians is encouraged by provisions included in the proposed rules for the Medicare Physician Fee Schedule and the Quality Payment Program for 2019, while recognizing several areas for improvement in the rules that were released by the Centers for Medicare and Medicaid Services on July 12.
