Topic: Team-based Care in the Real World

Date: Wednesday, January 16, 2019

Time: 3:00 - 4:30 PM ET

Registration Required!

[Register here](#)

Audience:

Open to QIN-QIOs, providers, partners, and beneficiaries!

Call Description:

The team-based care delivery models offer opportunities to improve quality of care and outcomes for patients, providers, and communities. As part of the Quality Payment Program (QPP), Alternative Payment Models (APMs) have been catalysts in fostering the use of team-based care. Learn more about team-based care from the American Medical Association (AMA) and hear real world implementation strategies from the Telligen QIN and providers from a physician office.

Following the event, participants will be able to:

- Understand how to implement team-based care in a practice,
- Describe the benefits of implementing team-based care, and
- Understand how Alternative Payment Models (APMs) support the use of team-based care.

Accreditation Statement:

The American Medical Association is accredited by the Accreditation on Council for Continuing Medical Education to provide continuing medical education for physicians.

Designation Statement:

The AMA designates this live activity for a maximum of 1.5 AMA PRA Category 1 Credit™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

CE Statement:

This activity is eligible for ACPE, ANCC, AANP, and CDR credit; see final CPE/CE activity announcement for specific details.
