ACP Georgia Call for Nominations

To all ACP Georgia Chapter Members, please be advised the Georgia ACP Awards Committee will be reviewing nominations for the 2019 Georgia Chapter Awards. The Georgia Chapter has many outstanding members, deserving of recognition for their accomplishments. READ MORE
Don't miss out on our Dementia & Delirium Workup lecture at the ACP Georgia Chapter Meeting, Oct. 25-27, 2019.

3-part care pathway addresses delirium during hospitalization

Health Leaders Media
Hartford Hospital has developed a comprehensive approach to addressing delirium in the hospital setting. In-hospital delirium has been associated with several negative patient outcomes, including increased risk of death, increased risk of a prolonged or permanent cognitive impairment, increased readmissions, and increased risk of developing dementia after hospitalization.
