

Poster Acceptance; Required Dimensions/ Content

Poster Requirements [Size, Printing, Mounting]

1. Each presenter will have a maximum of 42 inches (horizontal) x 48 inches (vertical) space to arrange your **Full-Size Poster** or **Printed PPT Slides** within those dimensions.
 - a. Your Full-Size Poster or Printed PPT Slides may be smaller than the above dimensions; however, if it exceeds 42 inches (horizontal width) by 48 inches (vertical height) your poster will be disqualified.
 - b. For Printed PPT Slides, we recommend 3 across (horizontal landscape) and 3-4 down for ease of viewing and consistency.
 - c. You may print in black/white or color printing
2. You may put poster title, authors, and institutions across the top.
3. Full-Size Posters and Printed PPT Slides will be fastened to poster display boards using push-pins.

For Clinical Vignette Abstracts

- Poster Title with Authors and Institutions
- Introduction with Learning Objectives
- Case Information
- Graphics or Images (where possible)
- Discussion and Conclusion, with future directions if available or applicable
- Key References
