To the ACP Hawaii Chapter membership:

It is with great sadness that we share news of the passing of Irwin Schatz, MD, MACP.  Irv touched us all, each in many different ways; as colleagues and students he taught us by sharing his insight and love of medicine. Despite his substantial intellectual and ethical accomplishments, we are awed by his humility.

We are honored to have had Irv’s influence and presence in the Hawaii Internal Medicine community. We share this loss with his family and close friends, and offer our sincere condolences.

ACP will communicate, when we have more information, about how we can best honor his memory.

Aloha, Irv.

Mary Ann Antonelli MD, FACP
