HJM & PH

HAWAI'I JOURNAL OF MEDICINE & PUBLIC HEALTH

Volume 77, No. 6

June 2018 Issue

In the June 2018 edition of *HJM&PH*, we feature a case report of tumor thrombus in the right atrium incidentally found by transthoracic echocardiogram; and a study on dietetics practice in the Pacific Island region. In the *Medical School Hotline*, relive the Convocation Ceremony Keynote Address at the John A. Burn School of Medicine. Finally, in the *Insights in Public Health* column, learn about how the built environment shapes our health and wellbeing.
