

Chapter Laureate Award

Since 1987, the Laureate Award has been given annually by the Iowa Chapter of the American College of Physicians as a mark of honor and recognition for achievement of excellence in internal medicine in the State of Iowa. Categories of accomplishment include:

- Scholarship and contributions to the medical literature
- Excellence as a teacher
- Significant innovations in or contributions to health care services
- Advancement of the goals of the American College of Physicians and of other medical societies and organizations
