Fostering Excellence in Internal Medicine
This live activity has been designated for a maximum of 12.75 CME credits*.
*See page 6 for CME details.
Dear Colleague,

Join me and your colleagues in internal medicine at the next scientific meeting of the Indiana Chapter of the American College of Physicians, being held November 15–17, 2018, at the Renaissance Indianapolis North Hotel.

The meeting is a great way for you to recharge, rewind, and reflect with your peers, chapter leaders, and great speakers. Connect with the Indiana Chapter’s rich source of knowledge content and networking by attending our premier meeting for general internists, subspecialty internists, hospitalists, allied health practitioners, residents, and medical students.

In addition to earning CME and MOC credits, this conference is about making personal contacts and getting involved in your chapter. You’ll engage with people who know your challenges and can help you find solutions. The opportunities available at this meeting will help you meet not only your needs as a physician, but also the needs of the patients you serve.

To ensure your place at this invaluable meeting, register now by visiting us online at inchapter.acponline.org.

I look forward to seeing you in Carmel.

Sincerely,
Bradley L. Allen, MD, PhD, FACP, FIDSA
ACP Governor, Indiana Chapter

Meeting Information

Resident/Fellow Members’ and Medical Students’ Activities
Posters by Resident/Fellow Members and Medical Students will be presented at the meeting. Winners will receive cash awards and be eligible for entrance into the national competition held during Internal Medicine Meeting 2019. Contact Donna Seawards at donnaseawards@gmail.com for information about entering the Resident/Fellow Members’ Competition. Deadline for submissions is September 9, 2018.
Poster winners will present their cases Saturday, November 17, at lunch. High-Speed Handoffs and Doctor’s Dilemma® will follow.

Chapter Awards
It is with distinct pleasure that the Indiana Chapter presents Randall Lee, MD, FACP, with this year’s Laureate Award. Laureate Award winners are long-standing and loyal supporters of the College who have rendered distinguished service to their chapters and community and have upheld the high ideals and professional standards for which the College is known. The award will be presented during Friday’s lunch.

Learning Objectives
At the conclusion of this activity, the participant will be able to:
• Apply updated knowledge of internal medicine to clinical practice.
• Improve clinical practice by incorporating major new developments in subspecialty medicine.
• Understand recent advances in internal medicine.
• Increase confidence in performing clinical skills.
• Increase confidence in medical computing.
• Understand political advocacy and reform.

Who should attend?
• General internists
• Subspecialty internists
• Family practitioners
• Fellows in subspecialty training
• Hospitalists
• Allied health practitioners
• Residents
