

WHAT YOU NEED TO KNOW: IMMUNIZATION UPDATE 2022

Virtual Session
September 14, 2022 @ 6:30PM

Updates will include:

- ACIP recommendations
- latest on COVID19 vaccines;
- pneumococcal vaccine refresher

We want to know what updates you
want/need! Tell us [HERE](#)

This session is sponsored by ACP's I Raise the Rates initiative to increase adult immunization rates. For more information, visit: www.acponline.org/ai

An illustration of a vaccine vial and a syringe. The vial is tilted, showing a white cross on its green label, and contains orange liquid. A syringe with a yellow plunger is positioned below it, also containing orange liquid. The background features a green wavy line.
