2020 LOUISIANA CHAPTER ACP
Spring Meeting:
“Voice in Changing Healthcare:
Protection of the Profession”
March 5-6
Louisiana Cancer Research Center
1700 Tulane Ave
New Orleans, LA 70112
GOVERNOR’S LETTER

Dear Colleague,

I invite you to join me and your colleagues in internal medicine at the next annual meeting of the Louisiana Chapter of the American College of Physicians (LA ACP), Thursday, March 5, 2020 at the Louisiana Cancer Research Center.

This meeting is not just for ACP members I particularly want to invite nonmembers, as this meeting provides an opportunity to hear the latest in health care and focuses on the importance of advocating for protection of internal medicine.

In addition to earning up to 12.0 CME credits, you will also do the following:

- Access clinical pearls around challenging issues
- Earn Maintenance of Certification medical knowledge (MOC) points
- Greet old friends, meet new ones, and develop a network of colleagues in your area

New this year, we are combining the Associates Meeting (resident and fellow abstract) competition and are again hosting the poster competition for medical students. So be sure to come and check out the great work of our future internists.

Between scientific sessions, please visit the college table and exhibitors. You will find information on new ACP programs, products and services.

To ensure your place at this invaluable meeting, register now by visiting lachapter.acponline.org and complete the easy online registration form. You may also complete the form at the back of this brochure and send it by mail or fax. This meeting brings a unique blend of health policy and clinical practice updates, all in one place. Please contact us with any questions.

I look forward to seeing you in New Orleans.

Sincerely,

Lee Engel, MD, FACP
Governor of the Louisiana ACP

Meeting

Faculty

Steven Bailey, MD, MScAI, FACC, FACP
Dr. Bailey is currently Professor and Chair in the Department of Internal Medicine and Malcolm Feist Chair of International Cardiology at LSU Shreveport School of Medicine.

M. Susan Burke, MD, FACP
Dr. Burke is Clinical Associate Professor of Medicine at the Sidney Kimmel Medical College at Thomas Jefferson University in Philadelphia, PA; an Adjunct Associate Professor of Geriatrics at the Philadelphia College of Osteopathic Medicine in Philadelphia, and Senior Advisor for Lankenau Medical Associates at the Lankenau Medical Center in Wynnewood, PA, where she is a member of the Internal Medicine Residency Program. She served as Co-Chair of the ACP Board of Regents and is now the President-elect of the ACP Board of Regents. Before joining ACP, she was Chair for 2 years. She is the immediate past President of the American Medical Association's Council on Legislation since 2003. Dr. Burke is board-certified in internal medicine and geriatrics and is a Fellow of the American College of Physicians.

Lauren Davis, MD
Dr. Davis is Assistant Professor of Clinical Medicine at LSU Health Sciences Center, Internal Medicine, New Orleans.

Jacqueline Fincher, MD, MACP
Dr. Fincher is a general internist in private practice for 31 years in rural eastern Georgia in the town of Thomson. She earned her BS from Oral Roberts University, MD from the Medical College of Georgia, and completed her Internal Medicine residency. She is a partner with Center for Primary Care. Dr. Fincher is a 31-year member of ACP. ACP Georgia Chapter, becoming a fellow in 1996 and received the Chapter’s Laureate Award in 2007. She was named a Master in the College in 2010. She has served on and chaired multiple committees in the Georgia Chapter, including the Health & Public Policy Committee for 16 years. She is the immediate past Governor of the Georgia Chapter, serving 2011-2015. She is an ACP delegate to the Medical Association of Georgia’s House of Delegates for the past 10 years and served on MAG’s Council on Legislation since 2003. Dr. Fincher has served on multiple national ACP Committees, including the Marketing & Communications Committee, the Health & Public Policy Committee, where she was Vice-Chair for two years, the Governance Committee, the Medical Informatics Committee, and most recently, the Medical Practice and Quality Committee, where she was Chair for 2 years. She is the immediate past Chair of the Board of Directors of the ACP Public Policy and Political Action Committee, and an ACP delegate to the AMA House of Delegates. She served 2 terms on the Board of Regents and now is the President-elect for 2020. She is married to her husband and partner, Dr. James Lemley, a family physician, and they have two children, one son and one daughter, who is a third-year resident in Pediatrics at UNG Chapel Hill. Primary Care is well covered by their family.

Jason Goldman, MD, FACP
Dr. Goldman is a Board-Certified Internist and Fellow of the American College of Physicians. Licensed in Florida, California, Nevada and New York, who completed his training at Mount Sinai Medical Center in Miami, Florida after graduating from the six-year combined college and medical school program at the University of Miami, M.D. After working as a hospitalist at Mt. Sinai Medical Center in Miami Beach, he established a private practice in Coral Springs, Florida where he has served on many committees and functions in leadership positions in many organizations and hospitals, including the Florida Medical Association and American College of Physicians. His clinical practice embraces the traditional and comprehensive scope of Internal Medicine where he attends his patients both in his office and hospital setting. The various leadership roles currently include Governor/President of the Florida Chapter of the American College of Physicians, President of the Florida Medical Association and President-Elect of the Florida Medical Association Political Action Committee. He has been involved in many legislative and advocacy activities, including visitations to Tallahassee and Washington, as well as working with multiple campaigns for legislative candidates. Dr. Goldman is a national speaker for genetic testing of hereditary cancer syndromes as well as vaccination programs. Additionally, Dr. Goldman is affiliated faculty at both Florida Atlantic University and Nova Southeastern University where he teaches medical students both on campus and supervises them in his office in Miami. Dr. Goldman lives in Miami with his wife, Joy, two sons, Evan and Ryan and his dog Ruby.

William “Keith” Kellum, MD
Dr. Kellum is currently practicing Hospital Medicine. He earned his Doctor of Medicine from Louisiana State University Health Sciences Center in Shreveport. He completed his residency at Louisiana State University Health Sciences in New Orleans. Dr. Kellum is Board Certified in Internal Medicine.

Miranda Mitchell, MD
Dr. Mitchell is Assistant Professor of Clinical Medicine at LSU Health Sciences Center, Internal Medicine Residency in Baton Rouge

Ryan Richard, MD
Dr. Ryan is an internist specializing in pulmonary and critical care in Baton Rouge.

Tabassum Salam, MD
Dr. Salam is currently Visiting Professor in the Division of Medical Education at the American College of Physicians. She was Senior Physician Advisor of Population Health serving as Chair of the Internal Medicine Residency Program Management, and a Board of Directors member for Carelink CareNext. She is a member of ACP and SHM and pursuing fellowship in Medical Staff and Medical Director for Home Health and Hospice at a large private health system. He is a member of ACP and SHM and pursuing fellowship in both of these, as well as currently working on an MHA degree.

Mike Sewell, MD
Dr. Sewell is a Fellow of Medicine and Chief of the Medical Informatics Committee at LSU Lankenau Medical Sciences Center in Shreveport, LA. He completed his medical degree from LSU Shreveport and also completed his Internal Medicine Residency and was Chief Resident in Internal Medicine there. He is board certified by ABIM and has 22 years of experience in private practice, both as a traditional internist and as a hospitalist. He has served on multiple hospital committees and in many leadership roles, including being Chief of the Medical Staff and Medical Director for Home Health and Hospice at a large private health system. He is a member of ACP and SHM and pursuing fellowship in both of these, as well as currently working on an MHA degree.

Who Should Attend

• General internists
• Subspecialty internists
• Family practitioners
• Hospitalists
• Fellows in subspecialty training
• Allied health practitioners
• Residents (internists in training)
• Medical students interested in internal medicine

Learning Objectives

At the conclusion of this activity, participants will be able to:

• Apply updated knowledge of internal medicine to clinical practice
• Improve clinical practice by incorporating major new developments in subspecialty medicine
• Understand political advocacy and reform
• Describe the contributors and the assessment of physician burnout.

CME accreditation

The American College of Physicians is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians.

“*The American College of Physicians designates this live activity for a maximum of 1 AMA PRA Category 1 Credits™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

**ACCREDITATION This activity has been planned and implemented in accordance with the accreditation requirements and policies of the Accreditation Council for Continuing Medical Education (ACCME) through the joint providership of Boston University School of Medicine and Rockpointe. Boston University School of Medicine is accredited by the ACCME to provide continuing medical education for physicians.

*Note: Please pick up a certificate for 1.0 credit hour for the Managing Management talk prior to leaving the meeting.*
