Don't miss out on a unique opportunity to be sure your voice as a physician is heard by policy-makers and legislators. Ensure that your needs and your concerns will be addressed at the State House. Register for the MA ACP Advocacy Day at the State House on Tuesday April 12, 2016.

- Are you interested in helping your patients with their chronic care needs?
- Has your voice been heard in the recent opioid debate?
- Are you concerned about how you might incorporate telemedicine into your practice?
- Do you have thoughts about EHR functionality/utility and how this supports meaningful use?

If you answered yes to any of the above, WE NEED YOU AT THE MA ACP STATE ADVOCACY DAY AT THE STATE CAPITOL! Come and interact with your legislators. Let's show them that ACP members are a great resource for medical knowledge !
