INTERNATIONAL POT LUCK DINNER

Our MD ACP IMG/WIM, and chief residents (CRAB) have planned a very exciting and interesting “**Speed Mentoring**” presentation. We have arranged for 8 tables on a variety of subjects from Wellness/Burnout to The Ins & Outs of Hospitalist Medicine that will assist you in your current activities as well as your future endeavors.

Our MD ACP will provide the buffet meal and drinks. If you would like to bring an appetizer or dessert from your country of origin, we would welcome the contribution. All you need to do to register is contact Maryellen at mew4work@aol.com.

We look forward to seeing you there!

CRAB Soccer Tournament Results

On December 1st, our MD ACP CRAB hosted the 5th Annual Soccer event, an activity that has grown in popularity every year. We had 6 teams participate this year, many of which brought fans and supporters.

We feel the Annual Soccer Event is a unique opportunity for our residents to get together in a social atmosphere that allows them to interact and enjoy some friendly competition.

The games were very close this year keeping fans on the edge of their seats. This year, we were also able to have a double elimination competition since we had 2 fields available at NERRC and gave our teams much more playing time.

Thanks to teams from MedStar Health IM, MedStar Harbor, GBMC, and UMMC Midtown. Special thanks to our ***finalist Sinai Hospital, and of course our 2018 champions St. Agnes Hospital.***
