**\*DINNER WILL BE PROVIDED\***

Free Parking in Far South Lot below the Hospital

### Upcoming Events:

Maryland ACP Winter  
Scientific Meeting

Friday, February 1st  
Turf Valley Resort &  
Conference Center

# The Nuts & Bolts of Poster Presentations and Abstract Writing

*Presentation by: Luigi Ferrucci, MD, PhD*

*Scientific Director of the National Institutes on Aging*

This workshop is designed to provide suggestions and recommendations on how to write and present scientific abstracts and posters. Dr. Luigi Ferrucci, Scientific Director of the National Institute on Aging at NIH will be presenting, along with past judges from our local and national ACP meetings. We will be displaying posters from past meetings to demonstrate do's and don'ts of effective posters.

This workshop has been very highly-rated by past attendees, and in fact has been so successful that the slide presentation has been posted on the national ACP's website.

The workshop will provide the following:

- Concise information on how to write and present both abstracts and posters
- Hands-on discussion groups on characteristics of good and bad posters
- Both award winning and problematic abstract/poster presentations will be reviewed
- Helpful tips on formatting, poster titles, poster lay-out and content organization
- A 10 minute wrap up session will be held at the end

If you are interested in attending, please email Maryellen Woodward at [mew4work@aol.com](mailto:mew4work@aol.com) so that we can have an accurate headcount.

**We look forward to seeing you there!**

## *ACP Internal Medicine Meeting 2019*

Register today to make sure you are getting the best rate possible. Start choosing from over 170 scientific and practice-related sessions along with hands-on learning opportunities. Plan on enjoying some fun networking and special events, and be sure to spend time in the exciting exhibition hall where you can demo new resources and see the latest advances in technology. Please note Early Bird rate expires at midnight EST on **1/31/2019.**
