 - Budget bill that includes several provisions addressing the opioid abuse crisis
 - Part E of the bill provides a 15% increase in reimbursement rates for medication management under MaineCare Benefits Manual, Chapter III, Section 65, *Behavioral Health Services*
 - Part G of the bill requires DHHS to support a “hub-and-spoke” system for the treatment and recovery of individuals with substance use disorder
 - Part J of the bill provides additional funding to support the State’s drug court system

Budget/Tax issues

- L.D. 1287, An Act To Strengthen Efforts To Recruit and Retain Primary Care Professionals and Dentists in Rural and Underserved Areas of the State (P.L. 2017, Chapter 435)
 - This bill extends through 2026 the income tax credit for eligible dentists who practice in underserved areas
 - With respect to the primary care access credit, the bill increases the number of primary care professionals who practice in underserved areas who may be certified for the credit (from 5 to 10) and allows the credit for primary care professionals to remain in effect beyond 1/1/19

Medical Marijuana

- L.D. 1539, An Act To Amend Maine's Medical Marijuana Law (P.L. 2017, Chapter 452)
 - Comprehensive amendment to medical marijuana regulatory framework dating to 1999
 - Eliminates definition of “debilitating medical condition” thereby permitting a medical provider (physician, physician assistant, or APRN) to issue a “written certification” to a “qualifying patient” within a bona fide patient-practitioner relationship if the practitioner believes marijuana will have a therapeutic or palliative effect
 - Some special rules for minors or those with SUDs
 - “Written certification” valid for no longer than 1 year
 - 1st time practitioner issuing “written certification” must have completed 1-hour CME course approved by DHHS within preceding 24 months

Medicaid

- L.D. 1714, An Act To Clarify Liability Pertaining to the Collection of Debts of MaineCare Providers by the Department of Health and Human Services (P.L. 2017, Chapter 442; effective 7/4/18)
 - The bill clarifies requirements for the definition of an ownership or control relationship in determining when DHHS may offset debts owed to the department by a provider against current MaineCare provider payments
 - It clarifies that DHHS may not offset current reimbursement owed to an entity related by ownership or control to the provider unless the person whose relationship is the subject of the offset has the voting power to govern the operation of the provider owing the debt
 - It prohibits DHHS from imposing liability for a debt owed by a provider on any person except a provider notified in accordance with statute of the debt or a person subject to collection by offset

Children's Issues

- L.D. 1923, An Act To Improve the Child Welfare System (P.L. 2017, Chapter 471; effective 9/7/18)
 - Provides funding for the creation of 16 Human Services Caseworker positions and 8 Customer Representative Associate II positions within DHHS, OCFS
 - It requires DHHS to report on the progress of the department in implementing the provisions of the legislation to the HHS Committee by 1/31/19
 - It requires DHHS to contract for a 3rd-party independent rate study to develop a separate rate for MaineCare reimbursement for trauma-focused cognitive behavioral therapy to be billed under rule Chapter 101: MaineCare Benefits Manual, Section 65. Currently, this therapy is available as outpatient therapy and home-based and community-based treatment under Section 65
 - The rate study must be completed no later than 4/1/19, and DHHS must report to the HHS Committee by 5/1/19
 - DHHS must amend its rules to establish the new rate
