

ACCEPTED MEDICAL STUDENT ABSTRACTS

No.	First Name	Last Name	School	Med Year	Category	Type	Abstract Title
1	Sarah	Merten	All Saints University School of Medicine	Year four	Clinical Vignette	Poster	Hereditary Hemochromatosis: A common, but often silent troublemaker
2	Ayman	Salem	American University of Integrative Sciences School of Medicine	Year four	Clinical Vignette	Poster	A rare case of rhabdomyolysis induced acute kidney injury in a HIV-infected
3	Jack	Avedikian	American University of the Caribbean, School of Medicine	Year four	Clinical Vignette	Poster	I Scream, You Scream, We All Scream for Ice Cream - Induced Angioedema
4	Alec	Raniwsky	American University of the Caribbean, School of Medicine	Year four	Clinical Vignette	Poster	A Quacky Case: Pet Duck Associated Salmonellosis
5	Martin	Richard	American University of the Caribbean, School of Medicine	Year three	Clinical Vignette	Poster	Keeping up the PACE
6	Kristin	Bartman	Central Michigan University School of Medicine	Year four	Clinical Vignette	Poster	Carcinomatous meningitis, a rare manifestation of ovarian cancer: report
7	Cody	Ciaramitaro	Central Michigan University School of Medicine	Year four	Clinical Vignette	Poster	Numb Chin Syndrome in Sickle Cell Crisis
8	Avi	Dobrusin	Central Michigan University School of Medicine	Year four	Clinical Vignette	Poster	Correction of Severe Hypermnatremia in a Patient with Diabetes Insipidus
9	Kaitlin	Rose	Central Michigan University School of Medicine	Year two	Quality Improvement	Poster	Implementation of Early Screening and Patient Education to Reduce Diabetic
10	John	Sorge	Central Michigan University School of Medicine	Year four	Quality Improvement	Poster	Wide variation in the use of external cooling blankets among intensive care
11	Elizabeth	Bruce	Michigan State University - College of Human Medicine	Year two	Research	Poster	Decision aid use in weighing long-term treatment options for type 1 diabetes
12	Alyssa	Cook	Michigan State University - College of Human Medicine	Year four	Research	Poster	Pure Marijuana versus Pure Michigan: Pregnancy Outcomes in Exclusive
13	Malek	Ghandour	Michigan State University - College of Human Medicine	Year three	Research	Poster	The role of Pro-inflammatory cytokines in war-associated anxiety, depression
14	Christina	Heyboer	Michigan State University - College of Human Medicine	Year four	Clinical Vignette	Poster	A Patient with Diffuse Alveolar Hemorrhage & The Diagnostic Dilemma
15	Anfal	Marafie	Michigan State University - College of Human Medicine	Year two	Quality Improvement	Poster	Perceived Barriers to Psychotherapy in Depressed Patients
16	Genevieve	Pourzan	Michigan State University - College of Human Medicine	Year three	Research	Poster	Are medical students biased towards chronic pain patients?
17	Sultan	Qiblawi	Michigan State University - College of Human Medicine	Year three	Clinical Vignette	Poster	False positive serum troponin levels in a man with chest pain 1, 16, 1, 20
18	Connor	Kerndt	Michigan State University - College of Osteopathic Medicine	Year four	Clinical Vignette	Poster	C. JEJUNI BACTEREMIA PRESENTATION IN IMMUNOCOMPETENT PATIENT CASE
19	Connor	Kerndt	Michigan State University - College of Osteopathic Medicine	Year four	Clinical Vignette	Poster	Hidden Hepatitis: A Case Report of Cryptogenic Autoimmune Hepatitis
20	Vasu	Mahalingam	Michigan State University - College of Osteopathic Medicine		Clinical Vignette	Poster	Intrathecal Pain Pump Misadventure: Fluctuant Mass Formation and
21	Jonathan	Davis	Oakland University William Beaumont School of Medicine	Year four	Clinical Vignette	Poster	Mixed Up Mixed Cryoglobulinemia: Vasculitic in the Setting of Periphera
22	Erfan	Faridmoayer	Oakland University William Beaumont School of Medicine	Year four	Clinical Vignette	Poster	Rare Case of Large Extramedullary Ewing Sarcoma
23	Matthew	Lipphardt	Oakland University William Beaumont School of Medicine	Year four	Clinical Vignette	Poster	Progressive Myelopathy in a Tourette Patient with Remote Type II Odontoid
24	Quoc-Tuan	Ngo	Oakland University William Beaumont School of Medicine	Year four	Clinical Vignette	Poster	Preseptal Cellulitis due to Neisseria gonorrhoeae: A Literature Review of a
25	Quoc-Tuan	Ngo	Oakland University William Beaumont School of Medicine	Year four	Research	Poster	Assessment of Correct Use of Nasal Sprays Among Residents at Beaumont
26	Aryana	Sharrak	Oakland University William Beaumont School of Medicine	Year two	Research	Poster	UNDERSTANDING OPIOID ADDICTION IN THE CHALSIAN COMMUNITY
27	Amy	Trang	Oakland University William Beaumont School of Medicine	Year four	Clinical Vignette	Poster	Dercum's Disease
28	Muhammad	Waheed	Oakland University William Beaumont School of Medicine	Year two	Research	Poster	Outcomes of Patients with Prediabetes
29	Hesham	Elmariah	Ross University School of Medicine	Year three	Research	Poster	Cryptococcal meningoencephalitis in association with Chronic Lymphocytic
30	Salam	Khoshi	Ross University School of Medicine	Year three	Clinical Vignette	Poster	Cardiac lipoma: a rare cause of cardiomyopathy
31	Fady	Banno	Saba University School of Medicine	Year three	Clinical Vignette	Poster	Immunocompetent Patient with Retropharyngeal and Pretracheal

32	Beata	Dye	St. George's University School of Medicine	Year three	Clinical Vignette	Poster	Adult onset HSP: A Frequently Unrecognized Disease
33	Sajithaa	Varadarasa	St. George's University School of Medicine	Year three	Clinical Vignette	Poster	Molding the Diagnosis: A Case of Allergic Bronchopulmonary Aspergillosis
34	Brendan	Dillon	University of Michigan Medical School	Year four	Research	Poster	Insulin Resistance in Type 1 Diabetes: Is There a Relationship with Diabetic IgA Nephropathy: Only One Piece of the Puzzle
35	Laura	Hayward	University of Michigan Medical School	Year one	Clinical Vignette	Poster	Case of Sweet's Syndrome with Suspected Pulmonary Involvement
36	Charles	Katzman	University of Michigan Medical School	Year four	Clinical Vignette	Poster	Diagnostic Evaluation of Disseminated Histoplasmosis Imitating Sarcoidosis
37	Sylvia	Li	University of Michigan Medical School	Year four	Clinical Vignette	Poster	Beyond Bones, Stones, Moans, & Grans: Uncommon Etiologies of Presentation of Herpes Zoster with cluster headache
38	Anita	Vasudevan	University of Michigan Medical School	Year four	Clinical Vignette	Poster	Multitarget Stool DNA Test at an Urban and Suburban Health System
39	Hani	Alhourani	Wayne State University School of Medicine	Year four	Clinical Vignette	Poster	The Spectrum of Autoimmune Pancreatitis with Roles Played by T _H 17
40	Firas	Askar	Wayne State University School of Medicine	Year four	Research	Poster	Seroconversion of HIV patients from Hepatitis A immune to Nonimmune
41	Serina	Beydoun	Wayne State University School of Medicine	Year four	Clinical Vignette	Poster	Cutaneous Vasculitis Secondary to Cocaine Use with Leukemia
42	Justin	Bria	Wayne State University School of Medicine	Year three	Research	Poster	When Ab-DO-cens becomes Ab-DOESN'T: A case of acquired sixth nerve palsy
43	Dominique	Bultsma	Wayne State University School of Medicine	Year three	Clinical Vignette	Poster	Anti-GBM Antibody Disease leading to Acute Renal Failure
44	Chelsea	Carver	Wayne State University School of Medicine	Year four	Clinical Vignette	Poster	Reduced Apoptotic Injury by Phenothiazine in Ischemic Stroke
45	Daniel	Cotter	Wayne State University School of Medicine	Year three	Clinical Vignette	Poster	How Sleep, Cognition, and Fatigue are associated with Chronic Pain in Older
46	Kenneth	Elkin	Wayne State University School of Medicine	Year two	Research	Poster	The Obscurity of Adrenal Insufficiency with Normal Cortisol Levels
47	Julie	Fynke	Wayne State University School of Medicine	Year two	Research	Poster	Bilateral Lower Extremity Paresis: A Diagnostic Dilemma
48	Kelly	Hallman	Wayne State University School of Medicine	Year three	Clinical Vignette	Poster	A Case of Prevotella Bacteremia in the Setting of Pulaski
49	Luke	Horton	Wayne State University School of Medicine	Year three	Clinical Vignette	Poster	The Subtle Yet Devastating Course of Pneumocystis Jirovecii Pneumonia in a
50	Adeola	Ishola	Wayne State University School of Medicine	Year four	Clinical Vignette	Poster	Diverticulitis Masquerading as Colorectal Cancer
51	Megha	Jagannathan	Wayne State University School of Medicine	Year four	Clinical Vignette	Poster	A Trip to the ICU is a Pain in the Foot!
52	Brittany	Kashat	Wayne State University School of Medicine	Year three	Clinical Vignette	Poster	A Sound Sleep with Serotonin Syndrome
53	Vikas	Kodali	Wayne State University School of Medicine	Year three	Clinical Vignette	Poster	Impaired ventricular dynamics and decreased filling during Muscle
54	Georgiana	Marusca	Wayne State University School of Medicine	Year four	Clinical Vignette	Poster	Time to Scene for Opioid Overdoses – Are Unmanned Aerial Drones Faster Than
55	Louis	Massoud	Wayne State University School of Medicine	Year two	Research	Poster	Challenges in diagnosis of abdominal compartment syndrome in critical care
56	Matthew	Tukel	Wayne State University School of Medicine	Year three	Research	Poster	Is image guidance and sedation necessary and safe for bone marrow
57	Charlene	Lin	Western Michigan University School of Medicine	Year four	Clinical Vignette	Poster	
58	Shaan	Manawar	Western Michigan University School of Medicine	Year three	Research	Poster
