

Good Afternoon -

National ACP is looking for feedback from those members that attended IM 2018 in New Orleans so they can work to make the next meeting better.

As a member of the ACP Advisory Board, I was asked me to garner feedback from the Michigan Chapter Members who attended the meeting.

I would appreciate any comments regarding logistics, meeting content and the venue. Any other comments regarding your experience at the meeting would be appreciated.

Please e-mail me at michael.kern@ascension.org with your valuable feedback.

Thank you for your help and time.
