

Abstract Submission open for Residents and Medical Students

- Abstract submission is open for both Residents and Medical Students for the MI ACP Residents Day / Medical Student Day which will be held on Friday, May 3, 2019, at the Wyndham Garden Sterling Inn.
- Abstract submission will close on **Sunday, February 17, 2019, at 5:00 PM. DO NOT PLAN FOR ANY EXTENSIONS.**
- The links for abstract submission are available on our Chapter Website at www.acpmichigan.org.
- Once you submit an abstract it CANNOT be edited. If you need to make changes to your abstract you must re-submit the corrected abstract. All duplicates are eliminated and only the latest abstract by time stamp will be kept.
- You may submit as many abstracts as you wish. However, only 1 per resident and medical students has the possibility of being accepted.
- **DO NOT** submit an abstract unless you are sure that you will attend and present should your abstract be accepted. Check your calendar carefully and plan accordingly. **YOU CANNOT withdraw an accepted abstract (if accepted) without the permission of your program/clerkship director and the Governor.**
- **IF** an emergency prevents you from presenting your abstract ONLY a co-author on your abstract who is a peer can present your work. That person must also register and pay for the meeting.

Requirements for Abstracts submitted:

- Word Limit – 250 words. This does **not** include title of abstract or author information. There is no ability to submit pictures, graphs, tables in your abstract submission. Should your submission be accepted for presentation all those visuals can be incorporated.
- **You cannot be a lone author on an abstract.** You must have an attending co-author on your abstract. The attending must review and approve your abstract before submission.
- Medical Students must have a clerkship director, faculty advisor, attending or senior resident as a co-author. Co-authors must review and approve your abstract before submission.
