

We invite you to consider exhibiting at our MI ACP Annual Fall Scientific Meeting that will be held October 10 and October 13, 2019 at the Amway Grand Plaza Hotel in Grand Rapids, Michigan.

This meeting has an annual average attendance of over 500 attendees which includes internists, all subspecialists of internal medicine, residents, medical students and para-professionals.

We annually provide 18-22 CME credit hours of educational sessions for our attendees.

You would be housed in the Hotel Center Concourse outside of all the CME educational sessions with plenty of exposure to our registrants. We also offer a wonderful prize to the winner of the registrants who visit all of our exhibitors and enter into our raffle. This has proved to be a great encouragement for good attendance at and exposure to your exhibit.

Please plan now and consider joining us in beautiful Grand Rapids and at such a beautiful time of the year in Michigan!

Please contact Thea Lockard, tlockard@acpmichigan.org or at 248-602-0235, for further information.

Best Regards,
Martha Gray, MD, FACP
Governor, Michigan Chapter of the American College of Physicians
