NEWS YOU CAN USE FROM NATIONAL ACP:

ACP has developed the following educational content that is freely available to the healthcare community as a public service of ACP in response to the Coronavirus outbreak.

- [Novel Coronavirus: A Physician's Guide](#) This online learning activity can be easily accessed on handheld devices and provides a clinical overview of infection control and patient care guidance.
- [Coronavirus: What the Clinician Needs to Know](#) This podcast was produced by Core IM in collaboration with ACP, and includes an interview with Dr. Christina Fiske, infectious diseases subspecialist at Vanderbilt University Medical Center.

For these coronavirus education activities, ACP members may report their learning time for CME credit without charge. Please feel free to share these resources with others in the health care community.

For additional information, contact [Laura Baldwin](#)
