FROM NATIONAL ACP:

ACP National Abstracts Program – Opened October 1, 2019

ACP's Abstract Portal began accepting abstracts from Resident/Fellow Members on **Tuesday, October 1, 2019**. The ACP Abstract competition offers an ideal opportunity for your residents to submit their work for national recognition. The College has updated the [abstract information pages](#), simplifying the process for residents to submit their work while helping your program realize its scholarly activity requirement. Please note and share the submission deadlines for the national competitions:

- Research Deadline: **Monday, November 11, 2019, 11:59 PM EST**
- Clinical Vignette Deadline: **Monday, November 18, 2019, 11:59 PM EST**

Resident's Guide to Poster & Abstracts Competitions

Participating in abstract and poster competitions are an ideal way for residents to present their work in a formal setting to their peers, faculty, researchers, and educators, while highlighting their exceptional efforts and building their CV. Experienced ACP abstract and poster competition judge Matthew B. Carroll, MD, FACP, FACR, shares tips and advice for creating strong, compelling abstracts and posters as well as strategies for excelling in podium presentations. Your residents can access the video [here](#).

ACP sponsors national abstract competitions with special categories for resident members at its annual Internal Medicine Meeting. For information on local abstract competitions, please visit your [Chapter Web site](#), or contact your ACP Governor.

ACP Leadership Programs Available in Hospital Medicine or Primary Care

Respond by: Sunday, December 1, 2019

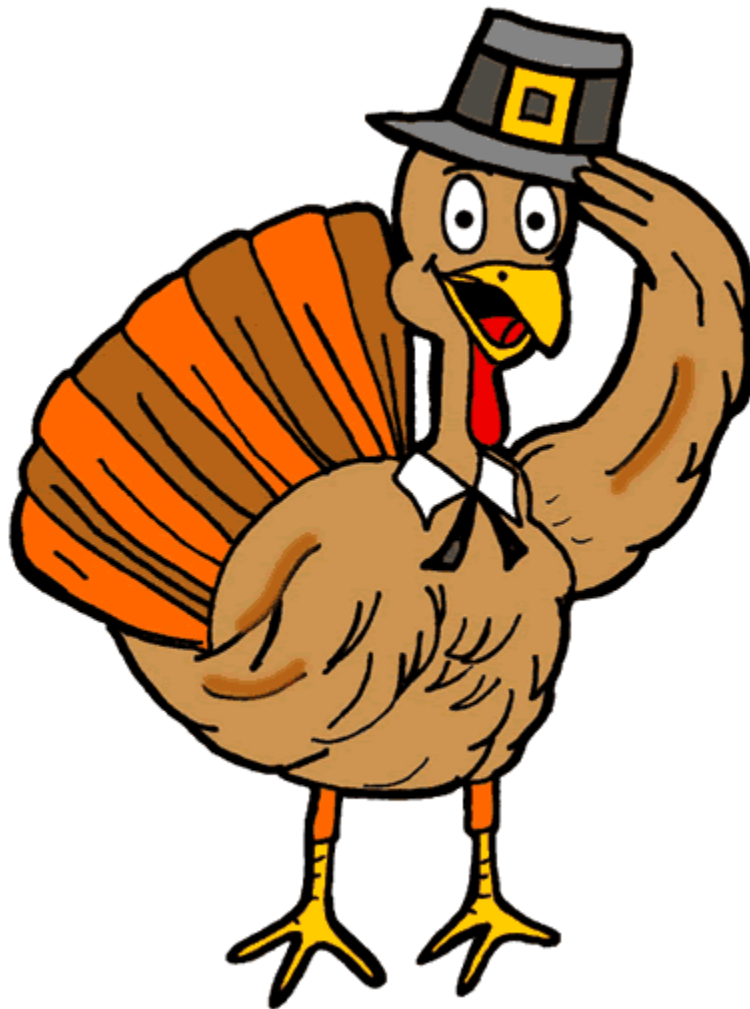

In partnership with the American Association for Physician Leadership, the ACP Leadership Academy offers a flexible, 18-month-long [Certificate in Physician Leadership](#) program with tracks in Hospital Medicine and Primary Care.

The program includes a combination of formal training through 46.5 hours of online coursework, online group discussions facilitated by leaders in internal medicine, and a capstone project that demonstrates successful mastery of leadership concepts.

Participants may [apply online](#) by **December 1, 2019** to enroll in the cohorts that begin work in January 2020. We encourage you to promote this program to your chapter members.

This program offers exclusive training by leadership experts and important career-building skills. In addition, ACP provides participants with access to a number of professional development and membership engagement opportunities.

If you have any questions, please contact us at lead@acponline.org.

Highlights From the Fall Chapter Meeting

The Michigan Chapter Annual Fall Chapter Meeting was held October 10-13, at the Amway Grand Hotel in Grand Rapids. Two hundred Resident poster abstracts, 30 Resident oral abstracts and 66 Medical Student poster abstracts were presented. Sessions were full for all the favorite sessions; Meet the Professor, Professors In Action, Park Willis and Boy Frame Lectures, along with SEP modules in Hospital and Internal Medicine. As always, there was standing room only for Dr. David Scrase's, Thieves' Market! The new sessions introduced were also popular; ECP's Telemedicine Session, Hands on Clinical Ultrasound and Story Slam! The meeting ended on Sunday morning with the final four resident teams competing in Doctor's Dilemma! Congratulations to Sinai Grace-DMC who one that competition!

You can view all the abstract winners on our Chapter Website at www.acpmichigan.org.

If you weren't able to attend this year, you can plan now to be there next year! In 2020 the meeting will be held October 15-18, at the Grand Traverse Resort in Acme!

Until then, enjoy some of the pictures captured at the meeting!
