Internal Medicine Residency Program*

WYNDHAM GARDENS STERLING INN

Summary: The Michigan Chapter of the American College of Physicians, in a combined effort with St. Joseph Mercy Oakland Internal Medicine Residency Program, invites you to the annual Residents Day meeting.

This annual meeting allows internal medicine residents and fellows to present scholarly work in both oral and poster presentation formats. There will also be the preliminary competition for Doctors' Dilemma™, as well as a keynote speaker! This meeting provides an opportunity for communication between our many residency programs throughout the state and a chance for residents and medical students to interact with ACP members. Sponsor exhibits will also be on-site.

All ACP members are encouraged to attend and show support for our residents!

Don't delay! Mark your calendar today. We are sure you will agree that this meeting with our Chapter colleagues is a stimulating and informative passport to the future of internal medicine.
