

Dear Colleagues: Thank you for your membership in ACP. Here is a brief list of resources and upcoming events.

Save the Date for Minnesota Internal Medicine:2017 meeting on Oct. 26-27th

The Minnesota Internal Medicine Update is the largest gathering in the state of internists, family physicians and APRNs focusing on adult medicine. The 2017 meeting will take place on October 26-27, 2017 at the Minneapolis Convention Center in Minneapolis, MN. Pre-courses on Oct. 26th will be offered. We will again be offering tracks for both Outpatient and Hospital Medicine, as well as a robust resident and student poster session. We have planned our scientific sessions to provide another great experience for all.

Early Career Physicians, Residents and Medical Students

The Early Career Physicians Group (formerly the Young Physicians), will meet for "Internal Medicine on Tap", also known as I.M. on Tap, at Kieran's Irish Pub in Minneapolis on **April 12th** with **John Egan, MD** discussing ***"Does M.D. mean Money Dumb? How to win the student loan game"***. ACP's official definition of an "early career physician" is a physician who has graduated from medical school within the last 16 years AND who is not currently in residency or subspecialty fellowship training. Residents and medical students are quite welcome to attend the IM on Tap events as well. Please rsvp to Minnesota.ACP@gmail.com

Any questions or suggestions, please contact the Early Career Physicians Chairwoman, Amy Holbrook, MD at amy.k.holbrook@gmail.com

ACP Issues Comprehensive Statement on U.S Immigration Policy

[ACP released a statement](#) on January 31st in reaction to the recent executive order on immigration. The statement details ACP's opposition to discrimination, religious tests, refugee bans, and denial of entry to persons with legal visas, and expresses grave concerns about the implications of the executive order on medical education, access to health care services, public health and families.
