The Laureate Award honors those Fellows or Masters of the College who have demonstrated by their example and conduct an abiding commitment to excellence in medical care, education, or research, and in service to their community, their Chapter, and the American College of Physicians. The recipient of this award shall bear the title Laureate of the Minnesota Chapter. The awardee is to be nominated by a process that may originate from any member of the Chapter. The nomination must document the attributes and accomplishments of the nominee.

It is with distinct pleasure that this year the Minnesota Chapter of the American College of Physicians presents the Laureate Award to Charles Reznikoff, MD, FACP. Dr. Reznikoff is a long-standing supporter of the College, has rendered distinguished service to the Chapter, and has upheld the high ideals and professional standards for which the College is known.
