Fostering Excellence in Internal Medicine
This live activity has been designated for up to 14.5 CME credits and 12.5 MOC points.
Meeting Highlights

• Hospital Medicine SEP Module
• Doctor’s Dilemma®
• Ultrasound Workshop
• Updates on Diabetes, HIV, pulmonary medicine, and more

Dear Colleague,

Join me and your colleagues in internal medicine at the next scientific meeting of the Alabama & Mississippi Chapters of the American College of Physicians, being held June 1–3, 2018, at the Renaissance Birmingham Ross Bridge Golf Resort & Spa.

The meeting is a great way for you to recharge, rewind, and reflect with your peers, chapter leaders, and great speakers. Connect with the Alabama & Mississippi Chapters’ rich source of knowledge content and networking by attending our premier meeting for general internists, subspecialty internists, hospitalists, allied health practitioners, residents, and medical students.

In addition to earning CME credits, this conference is about making personal contacts and getting involved in your chapter. You’ll engage with people who know your challenges and can help you find solutions. The opportunities available at this meeting will help you meet not only your needs as a physician, but also the needs of the patients you serve.

To ensure your place at this invaluable meeting, register now by visiting us online at the Alabama News and Meetings Page or the Mississippi News and Meetings Page.

We look forward to seeing you in Birmingham.

Sincerely,

Gustavo Heudebert, MD, MACP

- Family practitioners
- Fellows in subspecialty training
- Hospitalists
- Allied health practitioners
- Residents
- Medical students interested in internal medicine

CME Accreditation
The American College of Physicians is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians.

The American College of Physicians designates this live activity for a maximum of 12.5 AMA PRA Category 1 Credit(s)™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Successful completion of this CME activity, which includes participation in the evaluation component, enables the participant to earn up to 12.5 MOC points in the American Board of Internal Medicine’s (ABIM) Maintenance of Certification (MOC) program. Participants will earn MOC points equivalent to the amount of CME credits claimed for the activity. It is the CME activity provider’s responsibility to submit participant completion information to ACCME for the purpose of granting ABIM MOC credit.
