Matt Bien, MD, FACP (SD)

Rick Holm, MD, MACP (SD)

Jason Lambrecht, MD (NE)

Cathy Leadabrand, MD, FACP (SD)

Bill Shiffermiller, MD, FACP

John A. Adams, MD, FACP (SD) - Completed BA at Wofford College 1981, Spartanburg SC. and MPH in Epidemiology at University of South Carolina 1983. Finished MD at Mt. Sinai School of Medicine, New York, NY and Internal Medicine residency at Emory University in Atlanta, GA. Since then Internal Medicine staff as general internist then as hospitalist in Aberdeen SD.

Joel D. Armitage, MD, (NE), graduated from UNMC for medical school and attended UNMC for residency graduating in 2010. He has worked as a general internist at Village Pointe with UNMC since then. He is also involved in student and resident teaching as an inpatient-attending, outpatient attending at Midtown clinic, and has medical students at his own clinic. He is married with two girls.
Priscilla F. Bade, MD, FACP (SD) - attended Washington University School of Medicine in St. Louis, MO before completing an internship at Hennepin County Medical Center in Minneapolis, MN. She completed her residency in internal medicine at the USD School of Medicine in Sioux Falls, SD and then a two-year fellowship in Geriatric Medicine at the Medical College of Wisconsin in Milwaukee, WI. She practiced at the VA Medical Center in Sioux Falls, SD before entering private practice in Rapid City, SD. She is currently practicing nursing home medicine and hospice medicine in Rapid City. She is the Medical Director for Golden Living Bella Vista and for Hospice of the Hills in Rapid City. She is also a Professor of Internal Medicine at the Sanford School of Medicine’s Rapid City campus.

Kerry A. Blackham, DO (SD) - Graduated from Des Moines in 1996 with the degree of Doctor of Osteopathic Medicine. He then graduated from Family Medicine Residency in 1999 at Rapid City Regional Hospital, Rapid City, SD. He has practiced all aspects of family medicine in Southern Utah for 15 years. Beginning in March, 2015 he will be a Geriatric Fellow at Sanford School of Medicine - USD in Sioux Falls, SD.

David W. Bouda, MD, FACP (NE) graduated from Kansas University Medical School and interned at St. Luke’s Hospital in Kansas City, MO. He completed his residency in Internal Medicine at Wilford Hall USAF Medical Center in San Antonio, TX. He then completed a Medical Oncology Fellowship at the University of Texas Health Science Center in San Antonio, TX. Dr. Bouda is Board Certified in Internal Medicine, Medical Oncology and Quality Assurance Utilization Review and he is a Fellow of the American College of Physicians. He has practiced oncology 33 years. - three years as an Associate Professor of Medicine at the University of Nebraska Medical Center and as Chief of Oncology at the Omaha Veterans Medical Center. He has recently completed a 31 month engagement to create a cancer program and facility for Midwest Cancer Care at a Kansas City hospital. He was the Medical Director of Oncology Services. He has published a book “Facing Cancer Together-The Five Steps.”

JoAnn Bouda, MM, PPC (NE) is an Internationally Certified Professional Life & Organizational Coach (PCC/ICF), teacher, trainer, & faculty member for The Academy for Coaching Excellence, Sacramento, CA. Her work with Leadership & Team Development in Medical Facilities across the nation has been a major focus of her professional life for the past nine years. She has a BS in Education from the University of Kansas, a Masters in Ministry (M.M.) from Creighton University and is a graduate and Faculty Member of the Academy for Coaching Excellence. She is an Internationally Certified Life Coach by the prestigious International Coach Federation (ICF). She has been involved in Health Coaching and the Coaching of Healthcare Professionals for the past 9 years. JoAnn is a wife, mother of two and grandmother of eight. Her love of life and wisdom will add the elements needed to breathe new energy and focus into your life & work.
FACULTY:

Robert M. Centor, MD, MACP (AL) is currently the Regional Dean for the Huntsville Regional Medical and Professor of Medicine in the Division of General Internal Medicine at the University of Alabama at Birmingham, AL. After many years at the Medical College of Virginia, he moved to Birmingham in 1993 and served as the Division Director of General Medicine until 2008. He also served as the Interim Dean of the Tuscaloosa clinical campus for the University of Alabama School of Medicine from 1995-97. Dr. Centor finished his undergraduate work at the University of Virginia in 1971 and finished medical school at the Medical College of Virginia in 1975. He then joined the Housestaff, eventually becoming Chief Resident and joining the Division of General Internal Medicine in 1981. He served as Program Director of the Housestaff Training Program for five years and subsequently, five years as the Chairman of the Division of General Internal Medicine. Dr. Centor has served as President of the Society for Medical Decision Making, the Association of Chiefs of General Internal Medicine and the Society for General Internal Medicine. He currently serves as the Chair of the Board of Regents of the American College of Physicians.

Ali Chaudhry, MD (SD) is a Hospitalist at Rapid City Regional Hospital in Rapid City, SD. He went to college at Rutgers University in New Brunswick, NJ and completed medical school at New Jersey Medical School-University of Medicine and Dentistry in 2010. He did his residency training in New York at the Hofstra-North Shore Long Island Jewish Health System. He grew up in New Jersey and moved to Rapid City, SD. He is married to Farah Khan, a physician who works at the Allergy and Asthma of the Black Hills in Rapid City, SD. In his free time, Dr. Chaudhry has a passion for educating young physicians about the business side of medicine and career planning. He also plays guitar, is a die-hard New York Yankees fan and exercises on a daily basis.

Robert B. Doherty, SVP of Governmental Affairs & Public Policy, got the American College of Physicians, the largest physician specialty society and second largest medical organization in the United States. ACP represents 137,000 Internal Medicine physicians and medical students. Mr. Doherty has more than 33 years of health policy experience and is an accomplished presenter at health conferences. From 1979 to 1998, Mr. Doherty worked in the governmental affairs department of the American Society of Internal Medicine, and with the merger of ASIM and ACP in June, 1998, joined the ACP as Senior Vice President for Governmental Affairs and Public Policy. He has senior staff management responsibilities for ACP’s departments of legislative affairs, public policy, regulatory affairs, and public affairs.

Devin J. Fox, MD, FACP, grew up in Omaha, NE, and attended the University of Nebraska Medical Center for medical school after doing his undergraduate work at the University of Nebraska at Lincoln. He did his residency training and chief residency at Creighton University Medical Center in Omaha. He is a partner in a community-based practice in Omaha and has stayed on as faculty at Creighton, where he is involved in student and resident education at various levels in their training, and is the course director for the fourth year sub-internship in Internal Medicine. His clinical interests include Preventative Medicine and Wellness, HIV medicine, and Geriatrics.
Josh B. Henderson, DO (SD) graduated from Kansas City University of Medicine and attended IM residency at NEOUCOM/St. Elizabeth health Center in Youngstown, OH. Currently he practices medicine at Mobridge Regional Hospital and Clinics in a traditional hospital clinic practice, where duties include outreach clinic in Timber Lake, SD, ER/Trauma coverage, colonoscopies, inpatient and clinic services. He and his wife Rose have two children, Shane and Wyatt.

Anthony J. Hericks, DO (SD) graduated medical school at Des Moines University – Osteopathic Medical School, IM residency at Iowa Methodist in Des Moines, fellowship in pulmonary and critical care medicine at UMKC Truman and St. Lukes Hospitals in Kansas City, MO and is now employed at Avera Medical Group: Pulmonary and Sleep Medicine and Avera McKennan Hospital and University Health Center as a Board Certified Internal Medicine, Pulmonary, Critical Care and Sleep Medicine physician.

Angela L. Hewlett, MD (NE) is Assistant Professor of Internal Medicine and Infectious Diseases at UNMC, where she serves as a specialist in General Infectious Diseases. She is also an Assistant Professor at the University of Nebraska College of Public Health, Assistant Professor in the Department of Orthopaedic Surgery, and serves as Associate Medical Director of the Nebraska Biocontainment Unit, Associate Medical Director of the Department of Healthcare Epidemiology and Infection Control, and Director of the UNMC Infectious Diseases clinic. She is also a member of UNMC Infection Control Committee, serves as an infectious diseases and infection control consultant for the Douglas County Health Center, the Visiting Nurses Association and Union Pacific, and is a Board of Directors member and Vice President of the Nebraska Infection Control Network. She currently serves as Chair of the CIMRO of Nebraska Healthcare-associated Infections Advisory Council. Her research interests include healthcare-associated infections, complicated bone and joint infections, and biopreparedness. She also holds a Masters degree in Clinical Sciences-Clinical Investigation from the University of Texas Medical Branch.

Christopher J. Huerter, MD (NE) attended Medical College of Nebraska with a residency at the Cleveland Clinic Foundation, Cleveland, OH. He is Professor and Chair of Dermatology at Creighton University School of Medicine and an active teacher and researcher. He has been President of the medical staff at St. Joseph’s Hospital in Omaha, NE.
Fatima Z. Kidwai, MBBS (SD) was born and attended medical school in Pakistan. She did her Internal Medicine residency in Grand Rapids, MI. After completing residency, she moved to Aberdeen, SD to start working as a hospitalist. Working with elderly and vulnerable adults, I felt I needed to advance my knowledge on the subject and so I started my part-time fellowship track with the Sanford School of Medicine - USD in their Geriatrics Program. I love spending time with family, traveling, creating good meals and eating out.

Kwabena Kwakye, MD (SD) is the first of five siblings and was born in Ghana, an oasis of peace along the West Coast of Africa. He attended medical school at the School of Medical Sciences affiliated with the University Of Science and Technology, Ghana and completed his residency in Internal Medicine in 2012 at the Harlem Hospital Center, New York in 2012. He moved to Aberdeen the same year to work with Avera St Luke’s Hospital as a hospitalist. He is currently a fellow with the department of Geriatrics at the University of Sanford. His hobbies include watching soccer, traveling and visiting historic places of interest.

Jason E. Lambrecht, MD, PharmD (NE), completed his Internal Medicine residency at Creighton University in 2013. He is currently Board Certified in Internal Medicine and resides at Bergan Mercy Medical Center, practicing as a hospitalist. Recent local leadership roles include the Metro Omaha Medical Society young physician’s chair and editorial board advisor for the MOMS bulletin. Additionally, he serves as a clinical instructor for Creighton’s Internal Medicine residency program. His background also includes receiving his Doctor of Pharmacy Degree from Creighton University. He has post-doctoral training including a residency and fellowship in pharmacy. For 5 years, Dr. Lambrecht functioned as a clinical pharmacist, working on the medical and cardiac intensive care units at Immanuel Medical Center in Omaha, NE. Currently, his interests lie in developing his skills in ultrasound, focusing on ultrasound and the physical exam. He is also initiating a safety and quality project to evaluate medication reconciliation at hospital admission.

William L. Lyons, MD, FACP (NE) earned his medical degree from the Washington University School of Medicine, St. Louis, MO. He served his internship and residency at UCSF, where he also completed a fellowship in geriatrics. Dr. Lyons is certified with the American Board of Internal Medicine and holds a Certificate of Added Qualifications in Geriatric Medicine. He is is Professor, in the Division of Geriatrics and Gerontology, Department of Internal Medicine, University of Nebraska Medical Center (UNMC), Omaha, NE. Dr. Lyons has written several book chapters and articles on end of life care in nursing homes, dementia, palliative care, hospital care, and transitional care of the elderly between hospital and other care settings. His other academic interests are acute care of elders, teaching emergency care of elders, systematic acute care of older patients, medical resident education, and practice based quality improvement.
FACULTY:

Alexey Merunko, MD (SD) was born in 1964 in Tomsk, Siberia, Russia. Graduated from Siberian Medical University in 1987. Worked long time at Tomsk Cardiology Hospital as a Physician. In 2009 he graduated from Internal Medicine Residency at Interfaith Medical center in Brooklyn, NY. He currently works as Hospitalist at Rapid City Regional Hospital.

Nate Miller, MD (SD) graduated from the University of South Dakota Sanford School of Medicine (USD SSOM) in 2008. He completed his IM residency in 2011 and then served as Chief Resident of the USD SSOM Internal Medicine program. Since then, he has been a hospitalist at Avera McKennan in Sioux Falls, SD. He is a core faculty member of the internal medicine residency and currently oversees the last 15 months of medical student education at the USD SSOM.

Nnamdi A. Nwafo, MD (SD) is the last of 4 children of David and Ngozi Nwafo. Born in 1977 in Nigeria, west of the African continent, he attended medical school at University of Nigeria, graduating in 2004. He moved to United States in 2009 to start Internal Medicine residency training at Interfaith Medical Center, Brooklyn NY. He has worked as a Hospitalist at Rapid City Regional since graduating from residency training in 2012. He enjoys movies, traveling and various sports. He actively plays soccer, lawn tennis and volleyball. He is married and is blessed with a beautiful daughter.

James R. O’Dell, MD, FACP (NE) earned his medical degree and completed his Internal Medicine residency at the UNMC. He completed a clinical and research fellowship in rheumatology at the University of Colorado Health Sciences Center, Denver, CO and is board certified in both internal medicine and rheumatology. Dr. O’Dell is founder and director of the internationally recognized Rheumatoid Arthritis Investigational Network (RAIN), which is a collaboration of rheumatologists from seven states, who conduct investigator-initiated trials seeking improved treatments for rheumatoid arthritis (RA). He is the Bruce Professor, Chief of the Division of Rheumatology and Vice Chair for Education in the Department of Internal Medicine, Dr. O’Dell has served as Director of the Internal Medicine Residency Program more than 30 years.
Melanie Rohr, MD (NE) is a second year fellow in rheumatology at the University Of Nebraska Medical Center. She attended medical school at the University Of Kansas Medical Center and completed residency at Loyola University. She plans to practice rheumatology in Wichita, Kansas after completion of her fellowship.

David Sandvik, MD, FACP, CMD is Professor of Internal and Family Medicine, is Chief of Geriatrics and Program Director of the Geriatrics Fellowship at the University of South Dakota Sanford School of Medicine. He received his MD from the University of Texas Southwestern Medical School at Dallas and completed his internal medicine residency at Henry Ford Hospital in Detroit. For 25 years he practiced as a typical internist in office, hospital and nursing home settings in Rapid City, SD. The last ten years have been spent in nursing home and academic medicine. He enjoys many hobbies and playing with his wife, three children and numerous family members and friends.

Donna E. Sweet, MD, MACP, is a Professor of Internal Medicine at the University of Kansas School of Medicine-Wichita, KS. She is a Master in the American College of Physicians and is the Immediate Past Chair of the American College of Physicians Foundation Board as well as Chair Emeritus of the American College of Physicians Board of Regents. Dr. Sweet is also an AMA delegate for the ACP and is a member of the Council on Medical Service of the AMA. She is certified as an HIV specialist by the American Academy of HIV Medicine and national Co-Chair of the CDC HRSA AIDS Advisory Council (CHAC). She is also the Principal Investigator and Director of the Kansas AIDS Education and Training Center.

Rowen K. Zetterman, MD, MACP (NE) is an internist, gastroenterologist, and hepatologist and a Professor of Internal Medicine at the University of Nebraska Medical Center (UNMC) where he is the Director of Faculty Mentorship Programs. He is Dean Emeritus, Creighton University School of Medicine and a former Chief of Staff for the Nebraska-Western Iowa VA Health Care System. Dr. Zetterman has served in leadership positions as President of the American College of Gastroenterology (ACG), Chair of both the Board of Governors and of the Board of Regents of the American College of Physicians (ACP), as President of the Metropolitan Omaha Medical Society (MOMS), and as President of the Nebraska Medical Association (NMA). He has been the recipient of the Alfred Stengel Award for Outstanding Service (ACP), the Berk-Fise Clinical Achievement Award (ACG), and the Distinguished Service to Medicine Award (NMA). He is currently Vice-Chair of the Board of the Accreditation Council for Graduate Medical Education (ACGME) and an ACP delegate to the AMA, where he is a past-chair of the AMA Council on Legislation.
