"5 Myths and Misunderstanding about Physician Suicide"

Tiffany I. Lueng, MD, MPH, FACP, FAMIA, FEFIM
ASSISTANT PROFESSOR

Tiffany I. Leung, MD, MPH, FACP, FAMIA, FEFIM is a U.S.-trained
Internal Medicine physician and Assistant Professor at the Faculty
of Health, Medicine and Life Sciences and PhD candidate
at the Care and Public Health Research Institute at Maastricht
University in the Netherlands.

Dr. Leung received a BS in Biomedical Engineering, combined
MD/MPh, and Internal Medicine residency training at
Northwestern University in Chicago, Illinois, USA.

She also completed an Advanced Fellowship in Medical Informatics
at the VA (U.S. Department of Veterans Affairs) Palo Alto Health
Care System and Stanford University, in Palo Alto, CA, USA.

She was formerly Clinical Assistant Professor and primary care
telemedicine physician at Stanford University.

UNM CPL policy, in compliance with the ACCME Standards of Commercial Support,
requires that anyone who is in a position to control the content of an activity disclose
all relevant financial relationships they have had within the last 24 months with a
commercial interest related to the content of this activity. The Planners and Faculty
listed have disclosed that they do not have relevant financial relationship with a
commercial interest. Mark Unruh, MD, and Tiffany I. Leung, MD, MPH, FACP, FAMIA,
FEFIM

The following CME Reviewers disclose that they have no relevant financial relationships
with any commercial interest: Kathy Breckenridge, Robert P. Giebitz, PhD, Jennifer
Harbaugh and Gary Smith, PhD.

The University of New Mexico School of Medicine is accredited by the Accreditation
Council for Continuing Medical Education (ACCME) to provide continuing medical
education for physicians. The University of New Mexico School of Medicine designates
this live activity for a maximum of 1.0 AMA PRACategory 1 Credit™. Physicians should
claim only the credit commensurate with the extent of their participation in the activity.
