Ohio/U.S. Air Force Chapter Meeting FOOD DRIVE

The demand for food assistance in Ohio continues at record levels. We all understand how the social needs of our patients are a major determinant of health. Please consider bringing essential food or personal items to our Ohio/U.S. Air Force Chapter Meeting for DONATION. We will have donation bins at the registration desk to drop your items. Collected items will be delivered to the Mid Ohio Foodbank so they can be shared with patients and fellow Ohioans in the central and eastern part of the state. A list of most needed items follows. There is also an option to donate cash through an online link to the Foodbank instead of shelf-stable food items. Every $1 donated can provide $10 worth of food and groceries.
