As you read our fall newsletter, I hope that each of you had a terrific summer, and that you had time to reflect on our profession, your family and how blessed we are to be medical professionals. Since I last wrote in the spring, it has been a busy time for the Oklahoma Chapter and the national organization.

Our Chapter remains vibrant and healthy. Our finances look very good and all of us anticipate a terrific fall program in October. Our membership remains strong, and, as of September, we have nearly 400 Members, nearly 200 Fellows, 130 resident/fellow members, 143 student members, and 3 physician affiliates. Of our total membership, we have eight Masters. Our financial picture looks healthy and Dr. Michael Weisz has done a terrific job as treasurer.

We congratulate Robert Hauger, MD on his selection as governor-elect of the Oklahoma Chapter. Robert is already active, and the complete transition occurs this spring. I am sure he will be very successful as the Governor bringing enthusiasm and new ideas to the Council.

We had a very productive visit to Washington, DC in May. Our legislative efforts, led by Dr. Matlock Jeffries, went well. We discussed a number of significant issues including: Stabilizing the insurance market, rising costs of prescription drugs, promoting action to address the opioid-use crisis, graduate medical education financing reform, and reducing firearm-related injury and death, among several others. Always fascinating to see how our government works — both good and bad.

Because you may not have seen these, I would also like to remind each of you of the ACP’s Strategic Priorities for 2018-2020. The ACP Mission is to enhance the quality and effectiveness
Governor’s Column (continued)

of health care by fostering excellence and professionalism. The ACP will accomplish this mission through a variety of goals dealing with clinical standards, comprehensive education and information for internists, advocating for patients and the medical profession, conducting research to enhance the quality of practice and by unifying the many voices of internal medicine. The strategic priorities include:

1. Innovation—creating nimble and unique approaches to meeting member needs.
2. Identity—creating shared enthusiasm and pride about being an internist and ACP member.
3. Engagement and Inclusion—actively engaging members in local chapter and national ACP activities, welcoming and hearing all voices and demonstrating ACP’s relevance and connection to what is important to members.
4. Communication—conveying ACP’s broad mission, efforts and value to members, the greater community of internal medicine and to other stakeholders.

I hope that you will agree with me that the ACP has ambitious goals directed at ensuring value for members, but also having a dominant voice in the care of patients and in public policy. Additional areas that ACP has also been a leader is in the development of clinical guidelines and policy. In the policy arena, Sue Hingle, MD, former Chair of the Board of Regents, has been a national voice on gender pay equality. The ACP continues discussing firearm related injury as a healthcare issue and is working hard to be part of the solution for opioid overuse.

Lastly, I hope to see each of you at our October Scientific Session in Tulsa. Dr. Krishna Baradhi has created an excellent program. Details of the program are included in this newsletter. It promises to be an excellent clinical update, and, as always, it will be great having ACP leadership here, watching our trainees in medical jeopardy, and presenting their research efforts. I hope that each of you have a wonderful fall and winter season. Thank you for all that you do for our patients and for the Oklahoma Chapter.

Chapter Service

Speak, call, or write to myself or one of your Oklahoma Chapter council members if you have interest in serving. We are always looking for membership willing to take up the banner in advocacy, membership, communication, and other areas of service. Do you have a new idea or a resolution to take to ACP nationally? We need to hear from you, our membership.
Chapter Scientific Meeting 2018

Registration is open for the 2018 Oklahoma Chapter Scientific Meeting! The meeting will be held October 12th through October 13th at the OU-Tulsa Schusterman Center in Tulsa, Oklahoma.

The meeting is a great way for you to recharge, rewind, and reflect with your peers, chapter leaders, and great speakers. In addition to the networking and collegiality offered by our meeting, it is also a valuable learning opportunity. For the chapter meeting, the American College of Physicians designates this live activity for a maximum of 7.25 CME credits and 7.25 MOC points.

All registration must be received by September 30, 2018, or a late registration fee of $15 will be added. This includes on-site registration. Save money by registering now! You can view the full meeting brochure or register online. Additional information is available on the Chapter website.

Meeting highlights include updates on hepatitis C, hypertension, novel anticoagulants, novel agents in diabetes, women’s health, hospital medicine, silent atrial fibrillation, and physician well-being. Of course, we will have our annual Doctor’s Dilemma Competition and Resident/Fellow Presentations.

While visiting, bring the family to check out Gathering Place, Tulsa’s brand-new world class riverfront park. I look forward to seeing you in Tulsa!
Chapter Scientific Meeting 2018

Schedule at a Glance:

Friday, October 12, 2018

12:30 p.m.
Registration

12:45
Welcome
Michael S. Bronze, MD, MACP
ACP Governor, Oklahoma Chapter

1:10
The Importance of Physician Advocacy
Susan Thompson Hingle, MD, MACP

1:30
Update in Diabetes Care: Role of Novel Agents
Mary Zoe Baker, MD

2:30
Break/Visit Exhibit Booths

2:45
Update in Women’s Health
Susan Thompson Hingle, MD, MACP

3:45
What You Need to Know about Undiagnosed Atrial Fibrillation: An Under-recognized Stroke Risk Factor
Jeffrey L. Anderson, MD

This event is not part of the official ACP Oklahoma Chapter Annual Scientific Meeting Education program. CME will be provided by USF Health.

4:45
Welcome Reception & Residents Reunion

Saturday, October 13, 2018

7:30 a.m.
Continental breakfast

8:15
Update in Hypertension
Krishna M. Baradhi, MBBS, FACP, FASN

9:00
Novel Anticoagulants
Gary Raskob, PhD

9:45
Break/Visit Exhibit Booths

10:15
Update in Hepatitis C Treatment
Michael S. Bronze, MD, MACP

11:00
Update in Hospital Medicine
Audrey J. Corbett, MD

Noon
Lunch/Visit Booths

12:15 p.m.
Town Hall Meeting

12:30
Physician Well-being and Professional Satisfaction
Brian F. Lich, MD

1:00
 Resident Poster Judging

2:00
Resident Oral Presentations

3:00
Doctor’s Dilemma®
Jabraan S. Pasha, MD

4:00
Awards Presentation

4:30
Adjourn

How to Register:

You can easily register online, by phone, or by completing the registration page in the meeting brochure (included below). Please contact Kathy Musson at 405-850-8334 or kmussonokc@gmail.com with any questions.
Chapter Scientific Meeting 2018

Program Committee:
Krishna Baradhi, MBBS, FACP, FASN, Chair
Michael S. Bronze, MD, MACP
Michael A. Weisz, MD, MACP

Hotel Accommodations:
There are several hotels near the OU-Tulsa campus:

**Courtyard by Marriott**
3340 S. 79th E Ave.
Tulsa, OK
918-660-0646

**Embassy Suites**
3332 S. 79th E Ave.
Tulsa, OK
918-622-4000

**Doubletree at Warren Pl**
3418 S. 79th E Ave.
Tulsa, OK
918-495-1000

**Embassy Suites**
3332 S. 79th E Ave.
Tulsa, OK
918-622-4000

**Hampton Inn**
3209 S. 79th E Ave.
Tulsa, OK
918-779-4000

Silent Atrial Fibrillation: An Undiagnosed and Under-recognized Stroke Risk Factor

You are cordially invited to attend “What You Need to Know about Undiagnosed Atrial Fibrillation: An Under-Recognized Stroke Risk Factor.” This is a CME-certified, MOC-eligible symposium that is being held during the 2018 Oklahoma ACP Annual Chapter Meeting but is not part of the official ACP Oklahoma Chapter Annual Scientific Meeting. 1-hour CME will be provided by USF Health. A certificate with the CME credit will be handed out onsite, post-meeting to all attendees who fill out an evaluation. The symposium will be held on Friday, Oct 12th at 3:45 through 4:45 PM. Topics include pathobiology and risk stratification of AFib, traditional treatments to prevent stroke, newer antithrombotic agents, and re-hospitalization rates and reimbursement. For full accreditation information visit [www.rockpointe.com/afib](http://www.rockpointe.com/afib). Special registration for this event must be made through the ACP OK Chapter website as part of the conference selections, or by clicking here.

Resident/Fellow Members and Medical Students:
Clinical vignettes, posters, and research papers prepared by Resident/Fellow Members and Medical Students will be presented at the meeting. Winners will receive cash awards and recognition. One winner from each campus will receive up to $1,000 toward expenses for the Internal Medicine Meeting 2019 in Philadelphia. Contact Krishna Baradhi, MD, at krishna-baradhi@ouhsc.edu for more information. Submissions deadline is September 15th.

The Oklahoma Chapter is well-known for planning fun and unique chapter receptions during the annual Internal Medicine Meeting. In 2013, we cruised along the San Francisco Bay. In 2015, we set sail through Boston Harbor. In 2016, we had a perfect spot overlooking the National Mall and U.S. Capitol in Washington D.C. In 2017, we took a yacht on the San Diego Bay.

This last year, we took a Jazz-Dinner Cruise on the Mississippi River on the Steamboat Natchez.

The reception included a 2-hour cruise, buffet seated dinner, and entertainment by a New Orleans Jazz Band. We had an amazing time with over 20 chapter members attending.

You can view and download all of the pictures at the ACP Oklahoma Chapter Facebook Page.

Be on the lookout for the details of our next chapter reception in Philadelphia during IM 2019!
ACP Convocation is an annual ceremony whereby the College recognizes and applauds its new Fellows and Masters. This year, your Oklahoma Chapter was honored to have multiple new Fellows representing the Oklahoma Chapter at Convocation. Additionally, we were honored to have Dr. James H. Baker inducted into Mastership. Our Governor-Elect Robert Hauger, MD, FACP, walked with our Fellows at Convocation, while our acting Governor Michael Bronze, MD, MACP, presented the Fellows to the Board of Regents at Convocation.
Internal Medicine residents across Oklahoma competed in oral and poster presentations during our 2017 Fall Scientific Session. The winners of the competition competed nationally in New Orleans at IM 2018. They all represented the chapter well! The state-level competition will be held during the 2018 Fall Scientific Session this October in Tulsa.

**Henry Le MD**, of OU-Tulsa presented, “Strategies for Improving Diabetes Care in Patients with a HbA1c above 9.0.”

**Taylor Jenkins MD**, of OU-Tulsa presented, “An Initial Look at PTSD in Internal Medicine Residents,”

**Thao Tran MD**, of OU-Tulsa presented, “Improving Blood Pressure Control in an Academic Internal Medicine Clinic.”

**Kavitha Mattaparthi MD**, of OU-Tulsa presented her poster presentation at ACP IM 2018 in New Orleans.
ACP Internal Medicine Meeting 2018

Finals at International Doctor’s Dilemma Competition

Congratulations to Kevin Smith, Chelsea Therrien, Janitzio Guzman, and Tristan Smith, our Oklahoma ACP champions from OU-Tulsa who competed in the 2018 International Doctor’s Dilemma Competition, reached the Final Round, and won 2nd Place overall in the international competition!!

In the First Round, they beat Minnesota, Nebraska, Alberta, and Southeast Asia by over 90 points! In the Semi-Final Round, they beat Ontario, U.S. Navy, Missouri, and Texas Northern by over 70 points! They advanced to the Finals and competed against New Jersey, Indiana, Maryland, and Washington. In the Finals, they finished number 2 overall in the world, falling 1 single point short of being World Champions (Indiana 241, Oklahoma 240).

We are so proud of the residents at OU-Tulsa for getting our chapter the farthest ever in the national Doctor’s Dilemma Competition. The chapter is eager to compete for the Osler Cup in next year’s competition. If you are a resident interested in establishing your own team, contact your program director. The state-level chapter competition will be held during the October 2018 Chapter Scientific Meeting in Tulsa. Doctor’s Dilemma is a fast-paced Jeopardy-style medical knowledge program.

Click HERE to watch Video Highlights.

Please help us congratulate these newest Fellows to the Chapter! If you are a long time member of ACP, we hope that you will strive to professionally move toward Fellowship. For some, this will require work. It may require your involvement with the college and/or the local chapter. Have you been to the national or state meeting? For those already active in the college, you need to apply now. You have done the work and it is time to be recognized. FACP is a standard of professional excellence that your peers recognize.
Leadership Day in Washington D.C.

Matlock Jeffries, MD, PhD, FACP

For this year's ACP Leadership Day in Washington, DC, I was accompanied by Dr. Bronze, Dr. Jacob Murray (OU Tulsa), Dr. Chris Girgis (Tulsa), and Dr. Samid Farooqi (OU Oklahoma City). The schedule was similar to previous years, with the first day being introductory lectures and the second being visits to Capitol Hill. We met personally with several of our members, including several who sit on prominent committees important to healthcare policy.

Like last year, ACP’s agenda this year included seven priority action items; we focused on three during our meetings with legislators. The first included efforts to expand insurance coverage and stabilize the insurance market. Specifically, we sought to expand premium tax credits and cost-sharing subsidies for insurance plans, block the expansion of short-term health plans (which tend to exclude individuals with preexisting conditions), and support additional discretionary funding for federal exchanges as part of the FY2019 Labor, Health and Human Services, and Education Appropriations bill.

Our second area of focus this year was in reducing prescription drug costs. Several pieces of legislation have been penned which the ACP supports. Among them, the Drug Price Transparency in Communications Act (S.2157), which would required rug companies to disclose wholesale prices. The Creating and Restoring Equal Access to Equivalent Samples (CREATES) Act (S.974/HR.2212), which ensure access of drug companies to name brand samples, to improve the development of generics. The Medicare Prescription Drug Price Negotiation Act of 2017 (S.41/HR 242) would allow the Secretary of HHS to negotiate prescription drug prices with manufacturers, which could dramatically reduce costs to the nation’s largest buyer of drugs.
Leadership Day (continued)

A final area we focused on in our meetings was promoting continued action to address the epidemic of opioid use. We argued for expansion of access and coverage for medication-assisted opiate treatment (including methadone, buprenorphine, and naltrexone). We strongly opposed proposals imposing a three-day prescribing limit for initial opiate prescriptions; although this is appropriate in a few circumstances, many of our patients have chronic medical conditions requiring extended courses of opiate pain therapy. The ACP strongly supports, and we sought cosponsorship for, the Comprehensive Addiction and Recovery Act 2.0 of 2018 (CARRA 2018) (S.2456/HR. 5311) as a step towards a more comprehensive opiate-related legislative package.

Our House and Senate visits this year were quite productive, and we found our Representatives' and Senators' offices (surprisingly) receptive to our requests. As always though, we must continue as an organization to strive for the improvement of the health care climate in our country. ACP, through its diverse advocacy efforts and Leadership Day, allows us as internists to participate directly in shaping and advocating for legislation on matters that directly affect us all. I encourage other members of the Oklahoma ACP membership to join us next year in Washington to participate in this essential effort!
More Picture Highlights of ACP IM 2018
Chapter Excellence Award

The chapter excellence award recognizes individual chapter’s accomplishments and successes. The national ACP Chapter subcommittee requests that chapters submit an annual report regarding finance, membership growth, diversity growth (age, gender, ethnic, MD/DO, research/academic/patient care, general IM/subspecialty, US trained/IMG, hospitalist/outpatient care), awards/nominations, chapter meeting program, communications, credentialing, health and public policy (advocacy), volunteerism, and women in medicine. Chapters are then measured on set criteria to determine eligibility for this award.

Our Oklahoma Governor’s Council expects this award. Although we should never grow complacent, I agree that the bar is set to expect excellence.

Your Oklahoma Chapter is proud to win this award again, and it will be presented to our Oklahoma Chapter at our Fall 2018 Oklahoma Chapter Scientific Session in Tulsa.
