**ELIGIBLE TO PARTICIPATE IN OREGON & NATIONAL ACP COMPETITIONS**
Both Competitions are open to all Oregon Internal Medicine Resident & Medical Student Members of ACP. **For either Oregon or National Competition – FIRST AUTHORS must be a member of ACP.**
--First Authors: Only First Authors can submit abstracts and present.
--For Oregon Competition, a Second Author may be authorized to present, but only under rare circumstances and with prior approval from Oregon ACP, and prior to the Competition Event.
**Be sure to sign up to be a member of ACP, 2-3 weeks ahead of the abstract submission deadlines.**
To check on your Membership in ACP: 1-800-ACP-1915 or 215-351-2600 or e-mail/online at www.acponline.org/contact or www.acponline.org/membership

**ABSTRACT REVIEW / JUDGING / ACCEPTANCE**
**Oregon ACP Local Competition:** accepts all submitted abstracts for their Competition from Residents and Medical Students. Abstracts are not formally reviewed, judged, or vetted for acceptance. Oregon Chapter reserves the right to suggest and/or refer abstracts for faculty mentorship, based on standard abstract writing guidelines. **You submit an abstract and from there you will compete in the Oregon Competition on afternoon/evening of November 10th, with a POSTER. POSTER SIZE IS: 4’X4’**. **Resident Oral Presenters do not make posters—they compete orally on Thursday evening.**
For submission to Oregon Competition, the system will send you a confirmation email. If you do not receive this, please contact Mary Olhausen.
You will also receive an email from Oregon Chapter with pertinent details.
**National ACP Competition:** accepts all submitted abstracts for their Competition. Abstracts are formally reviewed, judged, vetted for acceptance to partake in the Competition. **For submission to National Competition, the system will send you a confirmation email. You will also receive an email about your abstract being accepted for presenting (Feb 2023).**

**ABSTRACTS PUBLISHED IN OREGON ELECTRONIC BOOKLET**
Abstracts as submitted for Oregon ACP may be published in electronic journal compiled by the Chapter.
CALL FOR ABSTRACTS 2022-2023

ABSTRACT CATEGORIES

Clinical Vignette: A clinical vignette is a report of one or more cases that illustrates a new disease entity, or a prominent or unusual clinical feature of an established disease. It may include a summary of pertinent patient history, physical findings, laboratory data, or management description.

Quality Improvement-Patient Safety: Submissions can report on efforts to improve patient safety or outcomes measurement. Such efforts may be projects developed and initiated to promote patient safety and/or processes that have improved or created a safer environment for patients. Abstracts may also be submitted that relate to the use of outcome data, how to measure and convert data into information.

High Value Care: Projects that focus on: reducing waste in the system (unnecessary testing and treatment or inappropriate setting for care), minimizing harms (radiation exposure, medication side effects), or improving patient care through communication (incorporating patient values and concerns into care plans).

Research-Basic: To improve human health, scientific discoveries must be translated into practical applications. Such discoveries typically begin at the bench with basic research—in which scientists study disease at a molecular or cellular level.

Research-Clinical: Patient-oriented research. Research conducted with human subjects (or on material of human origin such as tissues, specimens and cognitive phenomena) for which an investigator (or colleague) directly interacts with human subjects. This area of research includes: mechanisms of human disease; therapeutic interventions; clinical trials; development of new technologies; analysis of existing datasets; epidemiologic and behavioral studies; outcomes research and health services research.

JUDGING CRITERIA

Judging Criteria Poster Clinical Vignette:

Judging Criteria Poster Research/Quality Improvement-Patient Safety/High Value Care:
Presentation/Oral Delivery, Significance, Interview, Visual Impact, Originality, Methods.

Judging Criteria Oral Presentation Clinical Vignette:

PRESENTATION/ORAL DELIVERY:
--How logical are the ideas presented in the poster.
--How interesting is the manner of presentation.
--Are higher level clinical reasoning or medical decision making evident from the presentation.
--How well is the teaching value stated.
--Presentation orderly and clear – teaching points are obvious and helpful.
--Teaches in memorable way.

SIGNIFICANCE:
--How significant or relevant is the presentation conclusions in increasing understanding of a disease process?
--How applicable is the subject to the audience.
--Uncommon diagnosis that highlights interesting pathophysiology.
--Important new diagnosis/treatment that should change practice for many. Worthy of publication.

INTERVIEW:
--How knowledgeable and conversant is the presenting author with the work presented.
--Answers questions correctly and expands your understanding of the case and/or highlights broader implications of the question.

VISUAL IMPACT:
--How effective is this presentation visually.
--How valuable is each figure and graph in furthering viewers' understanding of the subject.
--Layout and text are complete, concise, self-explanatory, efficiently conveys the crux of the case.
ORIGINALITY:
--Is the clinical question outdated/moot.
--Study addresses a new and exciting question.
--Creative approach to a very novel question.

LOGIC and CLINICAL REASONING:
--How logical are the ideas presented in this presentation.
--How interesting is the manner of presentation.
--Are higher level clinical reasoning or medical decision-making, evident from the prepared remarks.
--How well is the teaching value stated

METHODS:
--How suitable is the research design for the stated objectives.
--How appropriate are statistical techniques applied.
--Methods and statistics are perfectly matched to the question/setting.

ORAL PRESENTATIONS - OREGON
Oral Presenters, present ONLY Clinical Vignette abstracts. Please make sure your abstract title matches that of your final oral presentation—do not give away the diagnosis in the abstract title!!

Disclaimer: Any incorporated short video clips in your presentation, or similar type of video, may or may not work, depending on circumstances surrounding infrastructure of presenters and/or Oregon ACP audio-visual. Online platforms can present unforeseen challenges, so we cannot guarantee sound or video quality. We do not allow any additional things such as PollEverywhere or Zoom Poll, or other audience response systems. Clinical Vignette Abstracts for oral presentations may not be used for the Oregon Poster Competition.

Residency programs determine who from their program, will give oral presentations.
Legacy: 2;  OHSU: 2;  Prov-Portland: 1;  Prov-St. Vincent 1;  Samaritan Health: 1;  OHSU-Hillsboro: 1.

PRIOR ABSTRACTS SUBMITTED / PUBLISHED CONTENT
--Abstracts previously presented at other regional ACP Chapters (non-Oregon) or other medical specialty societies are eligible for submission.
--Abstracts previously submitted to National ACP or Oregon Chapter are not eligible for re-submission and are subject to disqualification.
--Research must not be published or in press as a manuscript.
--Original abstracts that either, have or have not been presented at other meetings, including ACP Chapters/Regions will be considered.
--Presentation of original work at the ACP Meeting may, however, jeopardize presentation before another society.
--Abstracts are eligible if they have been published, however, abstracts based upon full papers that have been published are not eligible.

MISC
--Abstracts should list additional authors, including: full name, credentials, and institution name.
--Limit 450 words. This does not include abstract title, authors, institution name, or references (these are entered into specific fields where requested). Do not include any graphs, charts, images, bars, tables, etc.
--Do not include references in the text field; you can however, include references on your poster.
--For both Residents and Medical Students, 1st Place Winners in all abstract categories will be automatically slated for competing in the Spring 2022 National ACP Competition in San Diego, CA. Residents cover their own costs to attend this Competition/Meeting (training program may absorb cost). Medical Student expense reimbursement will be up to $800.00, per student, to offset travel & lodging, utilizing Oregon ACP travel policies.

--POSTER SIZE: 4’ X 4’.
CALL FOR ABSTRACTS 2022-2023
To Showcase Resident and Medical Student Scholarly Activities

OREGON 1ST PLACE WINNERS---“NATIONAL CHAPTER WINNERS”
The 1st Place Winners, in any category, at the Oregon Competition are classified as “National Chapter Winners” and are allowed to present/compete in the National ACP Poster Competition, held during the Internal Medicine Meeting 2023 in San Diego, CA. Only First Authors are allowed to present and will receive complimentary meeting registration. If you cannot attend, you must forfeit your presentation.

RESOURCES
--National ACP produces resources related to the National Competition, rules, guidelines abstract eligibility, author eligibility, abstract format, organization of body of abstract, usage of abbreviations-symbols-nomenclature, etc. Please see link to national ACP website for the College’s Guide to Preparing for the Abstract Competition: https://www.acponline.org/membership/residents/competitions-awards/acp-national-abstract-competition
--The OHSU internal medicine residency program has a fantastic scholarship website that has a trove of resources, including for poster creation including templates—https://www.ohsu.edu/school-of-medicine/medicine/scholarship-resources. The residency program has also created an archive of past resident posters in annual virtual poster sessions, so there are dozens of examples—this is the most recent one from 2018 https://www.ohsu.edu/school-of-medicine/medicine/2018-oregon-acp-resident-presentations, and the remainder can be found here under the “Oregon ACP Virtual Poster Sessions” drop down menu on the far right: https://www.ohsu.edu/school-of-medicine/medicine/past-publications-conference-presentations.

QUESTIONS
Oregon Chapter ACP:  Chapter Executive Director, Mary Olhausen. oregonacp@comcast.net, 503-880-7383. National ACP:  E-mail questions to abstracts@acponline.org.
