1st Place
Martha Dillon
Drexel University
'Molecular Targeting of HDM-2 Oncoprotein in Human Stem-Like Colonic Epithelium-Derived Progenitor and Stem-Like Colon Cancer Cells'

Runner-Up
Gregory Chen
University of Pennsylvania
'Text-mining of the Medical Literature Reveals Trends That Serve as a Proxy for Changing Medical Culture'

Best Student Abstract
Martha Dillon
Drexel University
'Molecular Targeting of HDM-2 Oncoprotein in Human Stem-Like Colonic Epithelium-Derived Progenitor and Stem-Like Colon Cancer Cells'

2017 Doctor's Dilemma Winning Team

Einstein Medical Center
Muhammad Masab, MD
Zurab Azmaiparashvilli, MD
Kevin Bryan Lo, MD
Team Advisor Nellowe Candelario, MD
Usaman Sarwar, MD
Abington Memorial Hospital

Mario Naranjo Tovar, MD
Albert Einstein Medical Center

Hammad Sattar, DO
Christiana Care

Taranjit Gill, MD
Crozer-Chester Medical Center

Ryan Spiardi, DO
Drexel University College of Medicine

Isaac Tea, MD
Lankenau Medical Center

Komal Patel, MD
Mercy Catholic

Robin Mansour, MD
Penn Med-Peds Program

Aaron Lee, MD
Temple University Hospital

Justine Blum, MD
Thomas Jefferson University Hospital

Lindsey Haddock, MD
University of Pennsylvania

Christian Barlow, MD
University of Pennsylvania Hospital
