Announcement and Invitation

The First Annual Regional Meeting of the South Dakota members of the American College of Physicians will be held Friday afternoon, September 30, 1960, and Saturday morning, October 1, 1960, at the Medicine and Sciences Building of the State University of South Dakota School of Medical Sciences, Vermillion, South Dakota.

The program committee has compiled a fine scientific program of outstanding clinicians and teachers. Wesley W. Spink, M.D., F.A.C.P., Professor of Medicine at the University of Minnesota and *Regent of the American College of Physicians* will present a paper and be our banquet speaker.

Registration will start at 1:30 P.M. on Friday, September 30, and the scientific program will begin at 2:00 P.M. The Saturday morning session will start at 9:30 A.M.

The banquet will be held at 6:30 P.M. Friday evening, preceded by a social hour at 5:30 P.M. The wives of physicians attending the meeting will be welcome at these functions.

Please make dinner reservations several days in advance of the meeting by notifying John W. Donahoe, M.D., 1505 S. Minnesota Ave., Sioux Falls, South Dakota. Tickets for the banquet will be \$2.75 per person including gratuities. These can be purchased when you register.

We hope that the attendance at our first meeting will be outstanding. The business meeting of the South Dakota Society of Internal Medicine will be held immediately following the scientific session on Saturday morning.

We wish to thank the State University of South Dakota School of Medical Sciences and the University of South Dakota Extension Service for their cooperation.

DONALD L. KEGARIES, M.D., F.A.C.P.
Governor for South Dakota
