HIGH-VALUE CARE

Register online now!
Dear Colleague,

I invite you to join me and your colleagues in internal medicine at the next scientific meeting of the Tennessee Chapter of the American College of Physicians, being held October 10–11, 2014 at the Franklin Marriott Cool Springs in Franklin.

This meeting is not just for ACP members. I particularly want to invite nonmembers to join us for this important clinical update and to learn about the benefits of membership at the same time.

In addition to earning up to 15.5 CME credits, by attending this meeting you will:

• Gain insight into recent medical advances.
• Discuss local and national issues affecting the practice and teaching of internal medicine.
• Greet old friends, meet new friends, and develop a network of colleagues in your area.

Between scientific sessions, please visit the College table. You will find information on new ACP programs, products, and services. There’s always something new at the College table—stop by and see for yourself.

To ensure your place at this invaluable meeting, register now by visiting www.cvent.com/d/z4q3vw and completing the easy online registration form. You may also complete the form at the back of this brochure and send it by mail or fax. The opportunities available at this meeting will help you meet not only your needs as a physician, but also the needs of the patients you serve.

I look forward to seeing you in Franklin.

Sincerely,
