The VMS Foundation is hosting a leadership course designed for physicians interested in leading change.

**Physician Leadership Development within a Culture of Trust**

**Saturday February 6th, 2016**

8:00 a.m. to 3:30 p.m.

**Capitol Plaza Hotel - Montpelier**

This course will be taught by the American Association of Physician Leadership. The course builds upon the results of an assessment specifically designed for physician leaders, the course will review the characteristics, motivations and thinking styles of participating physicians. Participants will receive their own confidential individualized leadership assessment. Results will also serve as basis for additional leadership support from the VMS Foundation.

Elucidating the way Vermont physicians can effectively approach the management of themselves and others, the course will provide a detailed view of strengths and developmental opportunities while setting a foundation for goal maximization within a culture of trust within the Vermont healthcare workforce.

The principal funding for this event is a grant from the Physicians Foundation. Attendees will need to pay $160.00 (the cost of the pre-course online leadership assessment). Category 1 CME credits are available for an additional $17.00. There is no charge for residents and fellows, however, trainees who intend to participate need to register in order to access the pre-course assessment.
