This is a call to you, our members and trainees, to submit a short story or essay. We are looking for stories that capture the human side of our work, are personally meaningful and highlight your passion for medicine or medical training. ACP judges will select the top 3 submissions for oral presentation during the annual meeting (Nov. 2nd & 3rd).

Stories should be limited to 400 words.

Please email your stories to: Kimberly Conn, ACP Executive, at [kim@wsma.org](mailto:kim@wsma.org). The deadline for submission is Oct. 6, 2018
