This event has been designated for a maximum of 11.25 CME credits.

Program Co-Chairs:
Bipin Thapa, MD, MS, FACP and Thomas D. Shiffler, MD, FACP
Dear Colleague,

I invite you to join me and your colleagues in internal medicine at the next scientific meeting of the Wisconsin Chapter of the American College of Physicians, being held September 10-11, at the Wilderness Hotel and Glacier Canyon Conference Center.

This meeting is not just for ACP members. I particularly want to invite nonmembers to join us for this important clinical update and to learn about the benefits of membership at the same time.

In addition to earning up to 11.25 CME credits, by attending this meeting you will:

• Gain insight into recent medical advances.
• Discuss local and national public health issues affecting the practice and teaching of internal medicine.
• Greet old friends, meet new friends, and develop a network of colleagues in your area.

Between scientific sessions, please visit the College table. You will find information on new ACP programs, products, and services. There’s always something new at the College table—stop by and see for yourself.

To ensure your place at this invaluable meeting, complete the registration form at the back of this brochure and send it in today. The opportunities available at this meeting will help you meet not only your needs as a physician, but also the needs of the patients you serve.

I look forward to seeing you in Wisconsin Dells.

Sincerely,

Noel N. Deep, MD, FACP
ACP Governor, Wisconsin Chapter

### PRE-COURSE LEARNING OBJECTIVES

1. Apply updated knowledge of internal medicine to clinical practice
2. Understand recent developments in internal medicine
3. Improve clinical practice by incorporating major new developments in subspecialty medicine
4. Increase competence in performing diagnostic tests
5. Increase competence in performing effective communication

### PRE-COURSE NOTE AND MAINTENANCE OF CERTIFICATION INFORMATION

The Wisconsin Chapter will provide you with a learner’s copy of the ABIM SEP module(s) at the meeting. If you are enrolled in the ABIM's Maintenance of Certification program, you also must order the module* directly from the ABIM by visiting [www.abim.org/online](http://www.abim.org/online). After the Learning Session, submit your answers online to the ABIM for Maintenance of Certification credit.

For more information about the ABIM’s Maintenance of Certification program, visit [www.abim.org/moc](http://www.abim.org/moc) or call ABIM at 800-441-ABIM (2246).

These updated high value care (HVC) modules contain a collection of short, interactive cases that can be completed on your desktop, laptop, tablet, or smartphone. Review the medical cases online, answer the associated knowledge checks, and read through the critiques. The program offers resources and guidance to help you incorporate HVC principles into your practice. The HVC cases from ACP offer online CME and have been approved by ABIM for MOC medical knowledge points and patient safety credits.

*If you are already enrolled in the ABIM Maintenance of Certification program, there is no additional fee for this official version of the module. If you are not enrolled, you may attend the Learning Session; however, you must enroll before receiving Maintenance of Certification points for the knowledge module. To enroll, visit [www.abim.org/online](http://www.abim.org/online).*

5. Increase competence in performing effective communication

HEALTH ACKNOWLEDGEMENT
Please make sure that you have reviewed any advisories or restrictions that may be in place for travel to the ACP-WI Annual Scientific Meeting. By attending, you are confirming that you and all persons in your party:

Are not experiencing any of the following symptoms of COVID-19 identified by the CDC at CDC.gov, including:
- Fever or chills
- Cough
- Shortness of breath or difficulty breathing
- Fatigue
- Muscle or body aches
- Headache
- New loss of taste or smell
- Sore throat
- Congestion or runny nose
- Nausea or vomiting
- Diarrhea

Have not been in contact with someone with confirmed or suspected COVID-19 symptoms without completing a 14-day quarantine

Are not under any self-quarantine orders

Attendees who cannot confirm all the above criteria must not attend the 2021 ACP-WI Annual Scientific Meeting.

An inherent risk of exposure to COVID-19 exists in any public place where people are present. COVID-19 is an extremely contagious disease that can lead to severe illness and death. According to the Centers for Disease Control and Prevention, senior citizens and attendees with underlying medical conditions are especially vulnerable.

By attending the 2021 ACP-WI Annual Scientific Meeting, you voluntarily assume all risks related to exposure to COVID-19 and further acknowledge that you understand and will follow all health and safety protocols established by ACP-WI and the Wilderness Resort & Glacier Canyon Conference Center. Failure to abide by all health and safety protocols implemented for the event is grounds for being asked to leave the event, without refund.
