**Ministry Health Care** is actively seeking BC/BE Internal Medicine physicians for both Outpatient or Inpatient practices. With 46 outpatient clinics and 15 hospitals throughout Central, Northern and Eastern Wisconsin, we can offer you a host of flexible practice models, an infallible commitment to patient-centered care and the stability that comes with being part of one of the nation's largest Catholic Health Care systems, Ascension Health.

You'll also enjoy:

- Flexible scheduling
  - Outpatient: Choose from full or part-time, 3, 4 or 5-day work weeks
  - Inpatient: Convenient 7 on/7 off schedules
- The autonomy to practice medicine the way you want and the resources and support to ensure your success
- The ability to maximize the time you spend with your patients and enjoy a reduced burden of non-clinical responsibility
- Very generous student loan repayment incentives
- The choice between metropolitan, midsize or rural practice communities – we can guide you to the opportunity that best meets your needs
- A comprehensive compensation and benefit package complete with relocation, generous CME allowance, malpractice, health, dental, life and disability insurance and retirement
- An unparalleled quality of life with a lower than average cost of living, low crime rates and easy commutes to neighborhoods in some of Wisconsin's most desirable communities

At Ministry, we want our physicians to be happy and healthy, too. You'll enjoy a rewarding medical practice and still have time for the other things you love to do. In fact, many of our physicians cite the exceptional balance and overall quality of life as the driving force behind their decision to join us.
