**Sarwari**
An Unusual Presentation of Granulomatosis with Polyangiitis

**Bhaty**
Unexplained Ascites: Thinking Outside the Liver

These abstracts will be presented in Oral presentation form. (I will email each of you personally
Anyone else who submitted an abstract has been approved by the judges to present as a poster presentation. You already received instructions on these in your earlier email "call for abstracts". If you do not have that email, please contact me or your school rep.

Don't forget to register for the conference on the ACP website. If you do not register for the conference, you CANNOT present your abstract.

Congratulations to all and I'll see you next month at Stone Wall Resort

Lisa
