Full Time Internal Medicine Primary Care Physician
for Large Public Health and Hospital System in Silicon Valley

Santa Clara Valley Medical Center (SCVMC), a large public teaching hospital, affiliated with Stanford University School of Medicine, in San Jose CA, is seeking a full-time BC/BE internal medicine-primary care physician to join our dynamic primary care practice in our Department of Medicine. We offer the unparalleled opportunity to gain the long-term personal and professional satisfaction of serving our patients and our diverse community, while teaching the next generation of health care providers, in one of the best places to live in the United States. Santa Clara Valley Health and Hospital System (SCVHHS), the second-largest County-owned health and hospital system in California is committed to improving the health of the 1.8 million people of Santa Clara County. As an integrated health care system, SCVHHS includes a 574-bed central hospital, SCVMC, a large primary care network comprised of nine health centers throughout the County (including our newest center in downtown San Jose, which opened in 2016), a broad-range of specialty services in our Valley Specialty Center, a large behavioral health department, public health, EMS, and Valley Health Plan. SCVMC itself hosts five residency training programs and partners with Stanford University Medical Center for the training of residents and fellows in many Stanford-based specialties. SCVMC also features a Level 1 Trauma Center, Burn Center, Primary Stroke Center, and a CARF-accredited Rehabilitation Center. Providers in our health system also have the unique opportunity to use our integrated electronic health record (Epic), which brings together system-wide patient information. Recently, the Health Information Management Systems Society (HIMSS) recognized SCVMC for achieving its highest level of success (Stage 7), based on our continuous innovation and optimization of our inpatient and outpatient EHR. SCVMC located in San Jose, California in the heart of Silicon Valley, offers a diverse choice of cultural, recreational, and lifestyle opportunities. Our physicians live in a range of communities, including urban (e.g., San Francisco), university (e.g., Palo Alto), high tech (e.g., many cities of Silicon Valley), mountain (e.g., Los Gatos), beach (e.g. Santa Cruz), and rural/agricultural (e.g., Gilroy). Located in one of the most desirable regions of the country, our physicians enjoy a very high quality-of-life. The Division of Primary Care in Department of Medicine, with 55 internal medicine primary care physicians, provides primary care services at eight health centers, from Sunnyvale to Gilroy. Internal medicine primary care physicians who join our department are pleased to find a very collegial work environment with robust specialty and ancillary support, and the opportunity to teach internal medicine residents from our large internal medicine residency training program. We offer collaborative compensation, generous comprehensive benefit package (including 53 days of leave per year), paid malpractice, vibrant professional environment, opportunity for career growth, and the opportunity to serve a multicultural patient population. SCVMC is an Equal Opportunity employer.

If you are interested in joining a practice with unparalleled personal and professional advantages, submit your letter of interest and CV to MD.Recruitment@hhs.sccgov.org
