U.S. Tax: The American College of Physicians (ACP) is required by law to collect sales tax on orders shipped to states where ACP has economic nexus. If you are shipping to any of these states, the appropriate charges will be added to your total order and displayed on your final order confirmation. Sales tax is a combined total of state, county, city and district tax rates. ACP does not benefit from the collection of sales tax and we remit all taxes collected directly to the appropriate taxing jurisdiction.
