

MKSAP Money-Back Guarantee: Refund Request Form

If you don't pass the ABIM exam and have answered and submitted all 1,200 questions before taking the exam, send us a copy of your notification of failure from the ABIM within 1 year of taking your exam along with this form to receive a refund.

MKSAP is designed with our learners' needs in mind – and top among these needs is engaging our subscribers in lifelong learning, including preparation for exam day. If, however, you do not pass your ABIM Certification Examination or Recertification Examination after you have prepared for your test with MKSAP's focused syllabus and rigorously developed multiple-choice questions, we will send you a full refund on your purchase of MKSAP.*

*To qualify for the refund, you must verify use of MKSAP **PRIOR TO TAKING YOUR Certification or Recertification EXAM** by meeting the following requirements:

- Completion of 100% of MKSAP's 1,200 self-assessment questions
- Scoring at least 50% correct for each of MKSAP's 12 completed sections
- Submission of CME credit for all 1,200 completed questions

Please note that if **you complete any of the MKSAP 1,200 self-assessment questions after the date of your Certification/Recertification examination, you are not eligible for a refund.**

*Subscribers who meet the qualifications described above should send a copy of their letter from the ABIM notifying them of failure along with this form **within 1 year of the examination** to:*
