Delaware Chapter
Scientific Meeting
February 22, 2014
Executive Banquet & Conference Center
Newark, Delaware

Register online now!
Dear Colleague,

I invite you to join me and your colleagues in internal medicine at the next scientific meeting of the Delaware Chapter of the American College of Physicians, being held February 22, 2014, at the Executive Banquet & Conference Center in Newark.

This meeting is not just for ACP members. I particularly want to invite nonmembers to join us for this important clinical update and to learn about the benefits of membership at the same time.

In addition to earning 5.75 CME credits, by attending this meeting you will:

• Gain insight into recent medical advances.
• Discuss local and national issues affecting the practice and teaching of internal medicine.
• Greet old friends, meet new friends, and develop a network of colleagues in your area.

Between scientific sessions, please visit the College table. You will find information on new ACP programs, products, and services. There’s always something new at the College table—stop by and see for yourself.

To ensure your place at this invaluable meeting, register now by visiting www.acponline.org/about_acp/chapters/de/news_meet.htm and completing the easy online registration form. You may also complete the form at the back of this brochure and send it by mail or fax. The opportunities available at this meeting will help you meet not only your needs as a physician but also the needs of the patients you serve.

I look forward to seeing you in Newark.

Sincerely,

R. Bradley Slease, MD, FACP
ACP Governor, Delaware Chapter

### Resident/Fellows and Medical Students’ Activities

Posters prepared by Resident/Fellows and Medical Students and clinical vignettes prepared by Resident/Fellows will be presented at the meeting. Winners will receive cash awards and be eligible for entrance into the national competition held during Internal Medicine 2014. Resident/Fellows should contact Marci L. Drees, MD, FACP, at mdrees@christianacare.org, and students should contact Cheryl A. Jackson, MD, FACP, at chjackson@christianacare.org for information about entering the competitions.

Resident/Fellow and Medical Students are also invited to attend a special luncheon between the morning and afternoon sessions.

### Chapter Award

It is with distinct pleasure that the Delaware Chapter presents a 2014 Chapter Laureate Award. Laureate Award winners are long-standing and loyal supporters of the College who have rendered distinguished service to their chapters and community and have upheld the high ideals and professional standards for which the College is known.

The Chapter is also pleased to present the Leonard Lang Award to an outstanding internist from our communities. Additionally, the Chapter will announce the recipients of the Parag Bakshi Fellowship Grant for international medicine rotation for residents.

The awards will be presented during the dinner reception on February 21.
**Chapter Excellence Award Winner**

We are pleased to announce that our Chapter is the recipient of a 2013 Chapter Excellence Award. The Chapter Excellence Award recognizes those chapters that excel in reaching the standards for managing a chapter, such as communicating to members, instituting Medical Students’ and Resident/Fellow Members’ activities, and advancing and recruiting members. A Chapter Excellence certificate will be awarded at the meeting.

**Who Should Attend**

- General internists
- Subspecialty internists
- Family practitioners
- Hospitalists
- Fellows in subspecialty training
- Allied health practitioners
- Residents (internists in training)
- Medical students interested in internal medicine

**Learning Objectives**

At the conclusion of this activity, the participant will be able to:

- Recognize emerging infections and understand Delaware’s capacity to respond to them.
- Apply updated knowledge of recent clinically relevant literature; screening recommendations for breast, colon, and lung cancer; and health care policy changes important to clinical practice.
- Diagnose and manage refractory hypertension with new and emerging tools.
- Understand applications of genomics and proteomics to clinical practice.

**CME Accreditation**

The American College of Physicians is accredited by the Accreditation Council for Continuing Medical Education (ACCMCE) to provide continuing medical education for physicians.

The American College of Physicians designates this live activity for a maximum of 5.75 AMA PRA Category 1 Credit(s)™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.
