

# Alabama & Mississippi Chapters Scientific Meeting 2016

**June 2–5, 2016**

Cahaba Grand Conference Center  
Birmingham, AL

*Fostering Excellence in Internal Medicine*

This live activity has been designated for up to 16 CME credits.

# Meeting Highlights

- Doctor's Dilemma<sup>SM</sup>
- Two SEP modules
- Neurology for the Internist
- Updates in COPD & Resistant Hypertension

Dear Colleague,

I invite you to join me and your colleagues in internal medicine at the next scientific meeting of the Alabama & Mississippi Chapters of the American College of Physicians, being held June 2–5, 2016, at the Cahaba Grand Conference Center in Birmingham.

*This meeting is not just for ACP members.* I particularly want to invite nonmembers to join us for this important clinical update and to learn about the benefits of membership at the same time.

In addition to earning CME credits, by attending this meeting you will:

- Gain insight into recent medical advances.
- Discuss local and national issues affecting the practice and teaching of internal medicine.
- Greet old friends, meet new friends, and develop a network of colleagues in your area.

Between scientific sessions, please visit the College table. You will find information on new ACP programs, products, and services. There's always something new at the College table—stop by and see for yourself.

To ensure your place at this invaluable meeting, complete the registration form at the back of this brochure and send it in today. You may also register online at your chapter's meeting page at [www.acponline.org](http://www.acponline.org). The opportunities available at this meeting will help you meet not only your needs as a physician but also the needs of the patients you serve.

I look forward to seeing you in Birmingham.

Sincerely,

**Gustavo Heudebert, MD, MACP**  
ACP Governor, Alabama Chapter

**Dan Woodliff, MD, FACP**  
ACP Governor, Mississippi Chapter

### SEP Note

The Alabama Chapter will provide you with a learner's copy of the ABIM module(s) at the meeting. If you are enrolled in the ABIM's Maintenance of Certification program, you also must order the module\* directly from the ABIM by visiting [www.abim.org/online](http://www.abim.org/online). After the Learning Session, submit your answers online to the ABIM for Maintenance of Certification credit. For more information about the ABIM's Maintenance of Certification program, visit [www.abim.org/moc](http://www.abim.org/moc) or call ABIM at 800-441-ABIM (2246).

Attend both SEP modules and earn one year's worth of MOC credit!

Each module is eligible for ten (10) MOC points through ABIM.

\*If you are already enrolled in the ABIM Maintenance of Certification program, there is no additional fee for this official version of the module. If you are not enrolled, you may attend the Learning Session; however, you must enroll before receiving Maintenance of Certification points for the knowledge module. To enroll, visit [www.abim.org/online](http://www.abim.org/online).
