Bring Medicine Back to the Bedside
This live activity has been designated for up to 15.5 CME credits.
Dear Colleague,

Join me and our colleagues in internal medicine at the next scientific meeting of the Northern California Chapter of the American College of Physicians, being held October 20–22, 2017, at the Walnut Creek Marriott.

The meeting is a great way for you to recharge, rewind, and reflect with your peers, chapter leaders, and great speakers. Connect with the Northern California Chapter’s rich source of knowledge content and networking by attending our premier meeting for general internists, subspecialty internists, hospitalists, allied health practitioners, residents, and medical students.

In addition to earning CME credits and MOC points, this conference is about making personal contacts and getting involved in your chapter. You’ll engage with people who know your challenges and can help you find solutions. The opportunities available at this meeting will help you meet not only your needs as a health care provider, but also the needs of the patients you serve.

To ensure your place at this invaluable meeting, register now by visiting us online at cachapter.acponline.org.

I look forward to seeing you in Walnut Creek.

Sincerely,

Raminder S. Gill, MD, FACP
ACP Governor, Northern California Chapter

Learning Objectives

At the conclusion of this activity, the participant will be able to:

- Apply updated knowledge of internal medicine to clinical practice.
- Improve clinical practice by incorporating major new developments in subspecialty medicine.
- Understand recent advances in internal medicine.
- Increase confidence in performing clinical skills.

CME Accreditation and MOC Points

The American College of Physicians is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians.

The American College of Physicians designates this live activity for a maximum of 11.5 **AMA PRA Category 1 Credit[s]**™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Successful completion of this CME activity, which includes participation in the evaluation component, enables the participant to earn up to 11.5 MOC points in the American Board of Internal Medicine's (ABIM) Maintenance of Certification (MOC) program. Participants will earn MOC points equivalent to the amount of CME credits claimed for the activity. It is the CME activity provider’s responsibility to submit participant completion information to ACCME for the purpose of granting ABIM MOC credit.
