Connecticut Chapter
Scientific Meeting
2017

October 27, 2017
Aqua Turf Club
556 Mulberry Street • Southington, CT

Register Online Today!

Fostering Excellence in Internal Medicine
This live activity has been designated for 4.75 credits and 3.25 MOC points.
Dear Colleague,

Join me and your colleagues in Internal Medicine at the next scientific meeting of the Connecticut Chapter of the American College of Physicians, being held Friday, October 27, at the Aqua Turf Club.

The meeting is a great way for you to recharge, rewind, and reflect with your peers, chapter leaders, and great speakers. Connect with the Connecticut Chapter’s rich source of knowledge content and networking by attending our premier meeting for general internists, subspecialty internists, hospitalists, allied health practitioners, residents, and medical students.

In addition to earning CME and Maintenance of Certification credits, this conference is about making personal contacts and getting involved in your chapter. You’ll engage with people who know your challenges and can help you find solutions. The opportunities available at this meeting will help you meet not only your needs as a physician but also the needs of the patients you serve.

To ensure your place at this invaluable meeting, register now by visiting us online at ctchapter.acponline.org.

I look forward to seeing you October 27.

Sincerely,

Rebecca A. Andrews, MD, FACP
ACP Governor, Connecticut Chapter
Fostering Excellence in Internal Medicine

Friday, October 27, 2017

7:00 a.m.
Registration/Continental Breakfast/Exhibits

Rachel King, MS3

Jacob Knox Quinton, MD, MPH

Eric Mazur, MD, MACP

David Miner, MD, FACP

Robert Nardino, MD, FACP

Ellen Nestler, MD, FACP
Residents' Activities

Abstract Competition
Our residents across the state present scientific posters at the annual meeting. Awards are given for the most outstanding abstracts in two categories: Clinical Vignettes and Research. Winners will be eligible for entrance into the national competition held at Internal Medicine Meeting 2018 in New Orleans, LA. Contact your Residency Program Director for information about entering poster abstract competition.

Lunch Session and High Value Care Workshop
Residents get a unique opportunity to hear from leaders across the state on the advocacy efforts conducted by ACP and Connecticut State Medical society on behalf of physicians and additionally learn about the exciting role of physicians as state law makers. During the high value care workshop, residents and students compete with attendings in reaching the diagnosis using clinical skills and utilizing the least number dollars on diagnostic studies. This has been a favorite session and sign up is required.

Learning Objectives
At the conclusion of this activity, the participant will be able to:

- Review diagnostic shoulder oriented special tests and apply the tests to the appropriate diagnosis.
- Review relevant and important parts of the cardiac exam.
- Discuss diagnosis and treatment of common STDs using cases.
- Understand latest research and current clinical trials on novel new treatments including Ketamine for mental disorders.
- Get current knowledge on various topics in Internal Medicine by attending the ABIM SEP module session.
- Learn about the role of physicians as advocates and as state law makers.

Who Should Attend?
- General internists
- Hospitalists
- Subspecialty internists
- Residents
- Medical students interested in internal medicine
- Fellows in subspecialty training
- Family practitioners
- Allied health practitioners

CME Accreditation and MOC Points
The American College of Physicians is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians.

The American College of Physicians designates this live activity for a maximum of 4.75 AMA PRA Category 1 Credit(s)™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Successful completion of this CME activity, which includes participation in the evaluation component, enables the participant to earn up to 3.25 MOC points in the American Board of Internal Medicine’s (ABIM) Maintenance of Certification (MOC) program. It is the CME activity provider’s responsibility to submit participant completion information to ACCME for the purpose of granting ABIM MOC credit.
Chapter Awards
The Connecticut Chapter will be presenting Chapter awards during the Business Meeting.

Women in Medicine Networking Breakfast
This session is sponsored by the Diversity Committee of the CT ACP. Meet and network with fellow women colleagues from academic, community and private settings. Hear about their perspective in their respective practices and exchange ideas in an informal gathering. This session will allow our ACP chapter to hear from our women physicians from diverse backgrounds and explore ways to address their interests and concerns. This session is open to all women including trainees and attending physicians. Please register for this great networking opportunity.

Satisfaction Guarantee
The College offers a satisfaction guarantee for all of its courses. If meeting attendees are not satisfied with their experience at a chapter meeting, they may write and request a refund of their registration fee.

Meeting Location
The meeting will be held at the Aqua Turf Club, which is located in Southington, Connecticut. To obtain a map, visit the Club’s Web site at www.aquaturfclub.com. Kosher meals are available upon request if requested two weeks prior to the meeting. Please email ctacp@lutinemanagement.com. Vegetarian meals are available.
